

## ASCII MASTER FLOW – PANEL 1/12: Governance layer map

OLYMPIC BODY -> the Olympic Movement and the Games; not the rule-maker for each sport

INTERNATIONAL FEDERATION -> common sport rules and international recognition

CONTINENTAL AND NATIONAL FEDERATION -> governs and represents the sport in territory

ORGANISER OR LEAGUE -> entry conditions and conduct of its own event

ATHLETE -> eligibility, entry, discipline and safeguarding sit at the end of the chain

MUST REMEMBER: Sports governance allocates policy, recognition, funding, selection,...

## ASCII MASTER FLOW – PANEL 2/12: Parallel integrity and dispute layers

INTEGRITY LAYER -> global anti-doping code, then the national anti-doping organisation

DISPUTE LAYER -> internal appeal, then a sport tribunal or arbitration where applicable

SEPARATION -> the code writer does not organise events; the arbitral forum makes no rules

STRICT LIABILITY -> the athlete answers for what is in the body, irrespective of intent

## ASCII MASTER FLOW – PANEL 3/12: Three functions kept apart

RECOGNITION -> who is entitled to represent the sport, on published criteria

SELECTION -> who is chosen to compete, on criteria published before the cycle

ORGANISATION -> who may enter this event, on the organiser's own entry rules

USE -> locate the complaint in one function before proposing a remedy

## ASCTI MASTER FLOW – PANEL 4/12: Autonomy against accountability

AUTONOMY PROTECTS -> technical rules and selection judgement from political direction

-> MONOPOLY: one federation per sport and no exit for the athlete

-> PUBLIC POWER IN SUBSTANCE: livelihood and career depend on the body's decision

-> OVERSIGHT OF GOVERNANCE, FINANCE AND RIGHTS is not interference in selection

RISK IF CROSSED -> interference in selection can expose a body to charter consequences

## ASCII MASTER FLOW – PANEL 5/12: Grand Slam architecture card

THE FOUR -> Australian Open, Roland-Garros, Wimbledon and the US Open

OWNERSHIP -> each event has its own organiser and its own operation

COOPERATION -> a shared governance structure and a common Grand Slam Rule Book

FALSE PROPOSITION -> shared governance means one owner operates all four

## ASCII MASTER FLOW – PANEL 6/12: Four entry routes

DIRECT RANKING ACCEPTANCE -> entry earned by position on the applicable ranking

QUALIFYING -> a separate stage with its own draw size and its own entry route

WILD CARD -> discretionary entry outside ordinary ranking acceptance

PROTECTED OR SPECIAL ENTRY -> a defined exception route under the rule book

RULE -> eligibility is a condition; acceptance into a draw is an outcome

CLOSE DISTINCTION: The Ministry of Youth Affairs and Sports is an executive ministry,...

## ASCII MASTER FLOW – PANEL 7/12: Wild-card proposition test

WHAT IT IS -> discretionary entry bypassing ordinary ranking acceptance

WHAT IT IS NOT -> an exemption from eligibility, conduct or anti-doping rules

SLOT LIMIT -> a cap on wild-card places available within a given draw

PLAYER CAP -> a separate proposition about one player over a career; test it alone

## ASCII MASTER FLOW – PANEL 8/12: Statutory trail of the 2025 Act

23 JULY 2025 -> introduced in the Lok Sabha

11 AND 12 AUGUST 2025 -> passed by the Lok Sabha and the Rajya Sabha

18 AUGUST 2025 -> assent; the National Sports Governance Act, 2025, Act No. 25 of 2025

1 JANUARY 2026 -> first tranche of select provisions in force

12 MAY 2026 -> second tranche under S.O. 2406(E); rules framed during 2026

## ASCTI MASTER FLOW – PANEL 9/12: Status ladder discipline

ENACTED -> the Act has received assent and carries a number

-> PROVISION COMMENCED: only the notified tranches are in force

-> RULES FRAMED: existence recorded; individual contents need verification

-> INSTITUTION CONSTITUTED: creation in law is not the exercise of a power

-> JURISDICTION OPERATIONAL: not asserted, so the 2011 Code still governs recognition

## ASCI MASTER FLOW – PANEL 10/12: Institutional legal character

SPORTS AUTHORITY OF INDIA -> society under the Societies Registration Act, 1860

NATIONAL ANTI-DOPING ORGANISATION -> statutory under the 2022 Act; a real 2022 change

BOARD AND TRIBUNAL -> statutory creations under the 2025 Act; powers not all commenced

NATIONAL FEDERATIONS -> private associations that require recognition to represent

ARBITRAL FORUM -> an international arbitral institution at Lausanne, established 1984

## ASCII MASTER FLOW – PANEL 11/12: Six-test checklist for a sports body

- 1 BASIS OF AUTHORITY -> statute, recognition, contract or a private rule book
- 2 RECOGNITION -> published criteria, and withdrawal with recorded reasons
- 3 INTERNAL GOVERNANCE -> elections, tenure limits, athlete and gender representation
- 4 SELECTION -> criteria published before the cycle and reasons given for exclusion
- 5 DISPUTE -> independent forum with notice, hearing, reasons and appeal
- 6 ATHLETE PROTECTION -> safeguarding independent of coach, and no retaliation

## ASCII MASTER FLOW – PANEL 12/12: Answer spine for a sports-governance demand

OPEN -> name the layer and the legal character of the body actually in dispute

BUILD -> autonomy as protection for sporting judgement, bounded by law and rights

CORRECT -> apply the status ladder and never treat enactment as operation

CLOSE -> graded verdict on basis of authority against practice, with no result cited

EVIDENCE LIMIT: AUTHORITY / IMPLEMENTATION: Qualify the National Sports Development Code,...
