

ASCII MASTER FLOW – PANEL 1/12: Three limbs of ageing policy

NEED -> income security, health and continuing care, safety and dignity in the household

-> LEGAL LIMB: maintenance obligation; tribunal; conditional property remedy; home direction

-> WELFARE LIMB: umbrella scheme with five recorded components

-> HEALTH LIMB: geriatric programme; age-based hospitalisation route for those aged seventy plus

TEST -> dignity, security, participation and intergenerational equity

MUST REMEMBER: Ageing policy must integrate income security, health and long-term care,...

ASCII MASTER FLOW – PANEL 2/12: Statutory definitions

SENIOR CITIZEN -> Section 2(h): a citizen of India who has attained the age of sixty years

MAINTENANCE -> food, clothing, residence, and medical attendance and treatment

OBLIGED -> children of the parent or senior citizen

ALSO OBLIGED -> relatives who are or who will be legal heirs of the property

REASON -> the heirship link covers childless senior citizens whom a parental link would miss

ASCLII MASTER FLOW – PANEL 3/12: Tribunal design

FORUM -> Maintenance Tribunal in every sub-division; summary adjudication

APPLICANT -> the senior citizen or a person authorised on their behalf

TIME -> ordinarily decided within ninety days, extendable in exceptional circumstances

CEILING -> a State-prescribed allowance cannot exceed ₹10,000 per month

TRADE-OFF -> summary access raises reach; the ceiling limits adequacy

ASCLL MASTER FLOW – PANEL 4/12: Property remedy ladder

STEP 1 -> the senior citizen transfers property by gift or otherwise

STEP 2 -> the transfer is subject to the condition of basic amenities and physical needs

STEP 3 -> the transferee refuses or fails to provide them

STEP 4 -> the transfer may be declared void at the option of the senior citizen

LIMIT -> without the condition there is no revocation route under this section

ASCTI MASTER FLOW – PANEL 5/12: Legislative status ledger

2007 -> the Maintenance and Welfare of Parents and Senior Citizens Act is enacted
DECEMBER 2019 -> amendment Bill introduced: dignity definition, penalties, income deduction
LAPSED -> that Bill fell with the dissolution of that Lok Sabha and was never enacted
2025 -> Private Members' Bills introduced in the Lok Sabha and the Rajya Sabha
AS AT 21 JULY 2026 -> neither is enacted; the 2007 Act remains the law in force

ASCII MASTER FLOW – PANEL 6/12: Ministry statement card

PURPOSE -> a scheme to improve the quality of life of senior citizens

MEANS -> shelter, food, medical care and entertainment opportunities

PLUS -> encouraging productive and active ageing through capacity building

PARTNERS -> States and Union Territories, non-governmental organisations, Panchayati Raj

GOALS -> financial security; health and nutrition; shelter; protection of life and property

CLOSE DISTINCTION: Senior citizen is a statutory or programme category, not a homogeneous...

ASCII MASTER FLOW – PANEL 7/12: Five recorded components

INTEGRATED PROGRAMME -> maintenance of senior-citizen homes for indigent senior citizens

STATE ACTION PLAN -> each State frames a five-year strategy and annual action plans

DEVICE SCHEME -> Central Sector; assisted-living devices for age-related infirmity

PRODUCTIVE ENGAGEMENT -> a portal matching experienced seniors with enterprises

AGED-CARE ENGINE -> identify, evaluate, verify, aggregate and deliver products and services

ASCII MASTER FLOW – PANEL 8/12: Device eligibility card

AGE -> sixty years and above

CONDITION -> suffering from an age-related disability or infirmity

MEANS TEST -> below the poverty line, or family income up to ₹15,000 per month

QUALITY -> devices conforming to Bureau of Indian Standards specifications where applicable

BOUNDARY -> targeted assistance, not a universal entitlement of old age

ASCII MASTER FLOW – PANEL 9/12: Income floor

CENTRAL ASSISTANCE -> ₹200 per month for eligible below-poverty-line persons aged 60 to 79

CENTRAL ASSISTANCE -> ₹500 per month for those aged eighty and above

STATE TOP-UP -> varies by State and is a separate component

ERROR -> presenting a State's higher combined amount as the national figure

CONCEPT -> an assistance floor, not an earnings-replacement pension

ASCH MASTER FLOW – PANEL 10/12: Care continuum gap

HOSPITALISATION -> age-based route covering every citizen aged seventy and above

NOT COVERED BY IT -> outpatient care, rehabilitation, palliative care, long-term care

PRIMARY AND SECONDARY -> limited geriatric capacity; needs managed informally or in tertiary

COORDINATION -> integration between the social-justice and health ministries is weak

RESULT -> an integration failure rather than an absence of schemes

ASCII MASTER FLOW – PANEL 11/12: Abuse typology and suppressors

PHYSICAL -> violence and restraint

FINANCIAL AND PROPERTY -> coerced transfer, theft, misuse of funds

EMOTIONAL -> verbal aggression, isolation, humiliation

NEGLECT -> failure to provide care, extending to abandonment

SUPPRESSORS -> dependence on the abuser, shame, family loyalty, fear of abandonment, stigma

ASCII MASTER FLOW – PANEL 12/12: Demographic series

1951 -> 1.98 crore elderly persons, as recorded on the scheme page

2001 -> 7.6 crore, as recorded on the same page

2011 -> 10.38 crore, as recorded on the same page

PROJECTED 2021 -> 14.3 crore; PROJECTED 2026 -> 17.3 crore, recorded as projections

RULE -> cite a recorded count as a count and a projection as a projection

EVIDENCE LIMIT: AUTHORITY / IMPLEMENTATION: Use the Maintenance and Welfare of Parents...
