PANEL 12/12 - INTEGRATION-FOREIGN POLICY BRIDGE AND REFORM

```
+-----+
| Bridge: territorial integrity + border regions + diaspora + federal coordination + plural legitimacy. |
| Strengths: constitutional inclusion, strategic continuity, diplomatic flexibility and democratic consent.|
| Risks: exclusion, misinformation, securitisation, treaty opacity, weak consultation and implementation gaps.|
| Reform: treaty framework, publication/classification, committee scrutiny, impact assessment, State input,|
| public communication, continuity and rights safeguards. Answer: define -> allocate -> cases -> bridge -> reform.|
