CLASSIFICATION AND AMENDMENTS: TEXT REMAINS CONTROLLING

SOCIALISTICGANDHIANLIBERAL-INTELLECTUALANALYTICAL ONLY42ND AMENDMENT44TH AMENDMENT86TH AMENDMENT97TH AMENDMENT

ANALYTICAL GROUPS

- Socialistic: justice, labour and welfare.
- Gandhian: village, cottage/co-operative economy and uplift.
- Liberal-intellectual: reform, environment, heritage, judiciary and peace.

OVERLAPS / CAUTION

- Articles 43, 46, 47 and 48 overlap.
- The Constitution does not name the three categories.
- Always answer from exact Article text first.

AMENDMENT OVERLAY

- 42nd: 39(f) recast; 39A, 43A and 48A inserted.
- 44th: Article 38(2).
- 86th: Article 21A and recast Article 45.
- 97th: Article 43B.

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: The socialistic, Gandhian and liberal-intellectual grouping aids revision, but overlapping provisions show that it is scholarly classification rather than constitutional text.

Kesavananda Bharati (1973)

1976 42nd Amendment

Minerva Mills (1980)

EARLY CONFLICT

- Champakam Dorairajan (1951): enforceable rights prevail over conflicting directives.
- Amendments responded through protective and redistributive devices.
- I.C. Golaknath (1967) restricted amendment of Fundamental Rights.

AMENDMENT POWER AND LIMIT

- 24th Amendment affirmed constituent power.
- 25th Amendment created Article 31C for Article 39(b)/(c).
- Kesavananda Bharati (1973) allowed amendment but protected basic structure.

HARMONY DOCTRINE

- 42nd Amendment attempted to extend Article 31C to every DPSP.
- Minerva Mills (1980) invalidated that extension.
- Harmony between Parts III and IV forms basic structure.

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: Parliament may amend rights and legislate to implement Part IV, but the basic structure - including judicial review and harmony between Parts III and IV - limits that power.

Identify claimed 39(b)/(c) purpose

Test genuine nexus

Apply limited Articles 14/19 shield

Retain judicial and basic-structure review

ENTRY CONDITIONS

- The law must genuinely further Article 39(b) or 39(c).
- Article 39(b) concerns resources serving the common good.
- Article 39(c) prevents harmful concentration.

LEGAL EFFECT

- The surviving shield operates against Articles 14 and 19.
- A statutory declaration is not conclusive by itself.
- Courts test the law-object nexus and constitutional limits.

CURRENT CONTROL

- Property Owners Association (2024) confirms the surviving first limb.
- Not every private asset is automatically a community resource.
- Basic-structure and judicial review remain.

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: Article 31C protects laws genuinely implementing Article 39(b) or (c) from Articles 14 and 19 challenges, but basic-structure review prevents unlimited insulation.

- Article 50: judiciary separated from executive.
- Article 51(a)-(d): peace, relations, international law and arbitration.

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: Article 49 is not a generic culture clause; it protects nationally important monuments, places and objects within the Parliamentary-law framework.

06

STAGE 06 IMPLEMENTATION AND ARTICLE 39A: ACCESS TO JUSTICE

LEGISLATION APPROPRIATION ADMINISTRATION ARTICLE 39A NALSA SECTION 12 SECTION 13 LOK ADALAT

IMPLEMENTATION CHAIN

- Directive -> competent law -> budget -> rules, institutions and delivery.
- Courts review legality and use DPSP in rights-consistent interpretation.
- Audit, legislatures and elections assess performance.

LEGAL-SERVICES ARCHITECTURE

- NALSA -> State -> District -> Taluk legal-services bodies.
- Section 12 provides category and income routes.
- Section 13 requires prima-facie satisfaction of the case.

LOK ADALAT CONTROL

- Ordinary Lok Adalat settles by consent and cannot decide merits after failure.
- Permanent Lok Adalat handles public utility disputes before litigation.
- Bounded merits power follows failed conciliation, subject to statute.

MECHANISM / VERDICT — Official NALSA access and Suhas Chakma (2024) connect statutory architecture to monitored prison legal-aid delivery.

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: A Directive Principle becomes credible through a competent law, funded institutions, accountable delivery and measurable outcomes—not enactment alone.

07

STAGE 07 ARTICLE 44 AND EVALUATION: REFORM WITHOUT FALSE BINARY

ARTICLE 44 ENTRY 5 EQUALITY DIGNITY RELIGIOUS FREEDOM PLURALISM FEDERALISM GRADUAL REFORM

CONSTITUTIONAL CASE

- Uniform civil rules may reduce status inequality and improve legal certainty.
- Concurrent List Entry 5 supplies the legislative field.
- Equality and dignity expose discriminatory civil rules.

QUALIFICATIONS

- Article 44 is non-justiciable.
- Uniformity may conceal majoritarian design if consultation is weak.
- Religious freedom, culture, transition and federal diversity matter.

REFORM ROUTES

- Target discriminatory rules first.
- Use optional secular routes or harmonised principles where suitable.
- A comprehensive code needs competence, consultation and safeguards.

MECHANISM / VERDICT — Uttarakhand: 2024 Act commenced 27 January 2025; the January 2026 Ordinance was succeeded by the Amendment Act published on 7 April 2026.

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: Article 44 supplies direction, while equality, pluralism, federal competence, consultation and transition determine whether a legislative design is constitutionally legitimate.

ARTICLES 36-37 ARTICLE MAP ARTICLE 31C FR-DPSP HARMONY NALSA UCC PRELIMS TRAPS MAINS SPINE

PRELIMS CONTROL

- 36: State meaning; 37: duty without direct enforcement.
- 39(b) resources differs from 39(c) concentration.
- 41 has capacity limit; 45 is below six; 50 is a DPSP.

PYQ / EVIDENCE ROUTES

- 2020: Article 50, UDHR, legal aid, welfare State and Part IV force.
- 2021: concentration; 2023 GS-II: NALSA.
- 2025 Part-matching key is locally official and verified.

MAINS ANSWER LADDER

- Define through Articles 36-37.
- Map exact Article, case and implementation mechanism.
- Add federal, fiscal and institutional qualification.
- Conclude with distributive ends through rights-disciplined means.

MECHANISM / VERDICT — A high-scoring answer moves from Article text to doctrine, implementation evidence, limits and a harmony-based conclusion.

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: PYQ control begins with the exact year, paper, wording and key status, then links the tested rule to its constitutional location.

Legal aid	Suhas Chakma monitoring strengthens prison delivery
Labour	Four Codes effective from 21 November 2025
UCC	April 2026 Amendment Act succeeds January Ordinance

PRIMARY CONTROLS

- Official Constitution text controls Articles 36-51.
- Official Supreme Court judgments control Article 31C and legal-aid doctrine.
- Official Gazette/government portal controls commencement and amendment status.

DO NOT OVERSTATE

- Do not convert observations into a judicial command for UCC.
- Do not treat every private asset as Article 39(b) material resource.
- Do not cite volatile office holders as durable doctrine.

EXAM USE

- Date every current status.
- Name the instrument and legal effect.
- Attach current evidence to the exact constitutional mechanism.

MECHANISM / VERDICT — Current affairs earn marks only when the source, date, instrument and constitutional relevance are all controlled.

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: Current evidence should prove implementation or legal status; it must never replace the exact constitutional rule.

10 MARKS150 WORDS15 MARKS250 WORDS20 MARKS300 WORDSDEGREE VERDICT

10 MARKS / 150 WORDS

- Define through exact Article text.
- Use three demand-specific points and one qualification.
- Finish with a one-sentence direct verdict.

15 MARKS / 250 WORDS

- Use a chronology, comparison table or institutional chain.
- Add current evidence and two diagnosed gaps.
- Give reforms tied to those gaps.

20 MARKS / 300 WORDS

- Organise dimensions, not a catalogue of Articles.
- Test law, institution, finance, delivery and rights limits.
- Conclude substantial/partial/limited with reasons.

MECHANISM / VERDICT — Scale analytical dimensions and evidence with marks; do not merely lengthen the same generic answer.

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: A marks-worthy DPSP answer moves from exact text to mechanism, evidence, limitation and a demand-specific degree verdict.

OPTIONAL ONLYPOSITIVE CONSTITUTIONALISMDISTRIBUTIVE REVIEWINSTITUTIONAL COMPETENCEFEDERAL PLURALISM

ENRICHMENT LENSES

- Positive constitutionalism requires public action as well as restraint.
- Distributive review asks whether law genuinely advances common-good purposes.

USE WITH DISCIPLINE

- Institutional competence limits judicial substitution.
- Federal pluralism affects sequencing, finance and implementation.
- Use only after the complete core answer is secure.

OPTIONAL STATUS — This enrichment is unnecessary for a competent core answer and remains subordinate to Articles, doctrine, implementation and PYQ control.
