STAGE 00 — THE TRIAD AND THE ORDERING PROBLEM

THE TRIAD AND THE ORDERING PROBLEM · POLITICAL INSTITUTIONS DISTRIBUTE STATUS, CHOICE, BURDENS AND BENEFITS · EQUALITY ASKS · IN WHAT RESPECT MUST PERSONS BE TREATED AS EQUALS? · LIBERTY ASKS · WHAT PROTECTED SPHERE AND EFFECTIVE AGENCY MUST EACH PERSON · JUSTICE ASKS · WHAT IS DUE, BY WHICH RULE, AND WITH WHICH

START — political institutions distribute status, choice, burdens and benefits

EQUALITY asks: in what respect must persons be treated as equals? → LIBERTY asks: what protected sphere and effective agency must each person have? → JUSTICE asks: what is due, by which rule, and with which rectification?

SOURCE / DOCTRINE

- START — political institutions distribute status, choice, burdens and benefits
- EQUALITY asks: in what respect must persons be treated as equals?

ARGUMENT / MECHANISM

- LIBERTY asks: what protected sphere and effective agency must each person have?
- JUSTICE asks: what is due, by which rule, and with which rectification?

IMPLICATION / VERDICT

- liberty without fair conditions can protect accumulated power equality without relevant differentiation can become mechanical levelling justice mediates
- basic liberties, justified inequalities and equal civic dignity answer thesis — the three ideals are distinct but institutionally

MECHANISM / VERDICT — JUSTICE asks: what is due, by which rule, and with which rectification?

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: what is due, by which rule, and with which rectification?.

STAGE 01 — EQUALITY FROM EQUAL WORTH TO REAL OPPORTUNITY

EQUALITY FROM EQUAL WORTH TO REAL OPPORTUNITY · EQUAL MORAL WORTH · ARBITRARY BIRTH HIERARCHY BEARS THE BURDEN OF JUSTIFICATION FORMAL · EQUALITY BEFORE LAW AND EQUAL PROTECTION POLITICAL EQUALITY · EQUAL CITIZENSHIP, VOTE AND ELIGIBILITY FOR PUBLIC OFFICE SOCIAL · FREEDOM FROM STIGMA, CASTE RANK AND INHERITED CIVIC HUMILIATION · LIMITS ON DISPARITIES THAT DESTROY FAIR BACKGROUND CONDITIONS FORMAL · OFFICES ARE LEGALLY OPEN FAIR OPPORTUNITY

equal moral worth → arbitrary birth hierarchy bears the burden of justification formal or legal

before law and equal protection political equality → equal citizenship, vote and eligibility for public → freedom from stigma, caste rank and inherited civic humiliation economic equality → limits on → fair background conditions formal opportunity → offices are legally open fair opportunity → education, health

SOURCE / DOCTRINE

- equal moral worth → arbitrary birth hierarchy bears the burden of justification formal or legal equality → equality
- before law and equal protection political equality → equal citizenship, vote and eligibility for public office social equality

ARGUMENT / MECHANISM

- freedom from stigma, caste rank and inherited civic humiliation economic equality → limits on disparities that destroy
- fair background conditions formal opportunity → offices are legally open fair opportunity → education, health and social power

IMPLICATION / VERDICT

- make access realistically open outcome concern → use thresholds, needs or protection of the least advantaged trap →
- equality is not sameness of talent, choice or final result

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: equal moral worth → arbitrary birth hierarchy bears the burden of justification formal or legal equality → equality before law and equal protection political equality → equal citizenship, vote and eligibility for public office social equality → freedom from stigma, caste rank and inherited civic humiliation economic equality → limits on disparities that destroy fair background conditions formal opportunity → offices are legally open fair opportunity → education, health and social power make access realistically open outcome concern → use thresholds, needs or protection of the least advantaged trap → equality is not sameness of talent, choice or final result.

STAGE 02 — ROUSSEAU MILL AND MARX ON UNEQUAL SOCIAL POWER

ROUSSEAU MILL AND MARX ON UNEQUAL SOCIAL POWER · NATURAL DIFFERENCES BECOME DOMINATION THROUGH CONVENTION AND PROPERTY NATURAL · AGE, STRENGTH, HEALTH AND INTELLIGENCE MORAL OR POLITICAL INEQUALITY · WEALTH, HONOUR, POWER AND DEPENDENCE · EQUAL LEGAL AND CIVIC STATUS PLUS INDIVIDUALITY AND WOMEN'S · THE SUBJECTION OF WOMEN · ALLEGED NATURAL SUBORDINATION IS SOCIALLY MANUFACTURED · FORMALLY EQUAL EXCHANGE CAN CONCEAL CLASS EXPLOITATION EQUAL RIGHT

MILL → equal legal and civic status plus individuality and women's equality	differ higher communist rule → contribution by ability and distribution by need comparison → status equality, anti-subordination and	

SYSTEM / DOCTRINE

- ROUSSEAU → natural differences become domination through convention and property natural inequality → age, strength, health and intelligence
- moral or political inequality → wealth, honour, power and dependence
- MILL → equal legal and civic status plus individuality and women's equality

DECISIVE DISTINCTION

- The Subjection of Women → alleged natural subordination is socially manufactured
- MARX → formally equal exchange can conceal class exploitation equal right can reproduce inequality when persons and needs
- differ higher communist rule → contribution by ability and distribution by need comparison → status equality, anti-subordination and

EVALUATION / TRAP

- material structure must connect

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: MARX → formally equal exchange can conceal class exploitation equal right can reproduce inequality when persons and needs differ higher communist rule → contribution by ability and distribution by need comparison → status equality, anti-subordination and material structure must connect.

STAGE 03 — EQUALITY OF WHAT AND THE METRIC DECISION

EQUALITY OF WHAT AND THE METRIC DECISION · RESOURCE METRIC · DWORKIN EQUALISES RESOURCES WHILE DISTINGUISHING BRUTE AND OPTION LUCK · CAPABILITY METRIC · SEN ASKS WHAT PERSONS ARE ACTUALLY ABLE TO DO · INSTITUTIONS ALONE ARE INSUFFICIENT WHEN INCENTIVES EXPRESS AN UNEQUAL · LUCK EGALITARIANISM · CORRECT DISADVANTAGE TRACEABLE TO BRUTE LUCK

RESOURCE METRIC — Dworkin equalises resources while distinguishing brute and option luck

CAPABILITY METRIC — Sen asks what persons are actually able to do and be same → COHEN — institutions alone are insufficient when incentives express an unequal ethos → LUCK EGALITARIANISM — correct disadvantage traceable to brute luck

SOURCE / DOCTRINE

- RESOURCE METRIC — Dworkin equalises resources while distinguishing brute and option luck
- CAPABILITY METRIC — Sen asks what persons are actually able to do and be same resources can yield unequal freedom because conversion conditions differ
- COHEN — institutions alone are insufficient when incentives express an unequal ethos

ARGUMENT / MECHANISM

- LUCK EGALITARIANISM — correct disadvantage traceable to brute luck
- RELATIONAL EQUALITY — end hierarchy, humiliation and second-class civic standing
- Indian use — distinguish equal rule, access, capability and equal social status trap — no single metric settles

IMPLICATION / VERDICT

- every question of need, choice, disability and dignity

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: Indian use — distinguish equal rule, access, capability and equal social status trap — no single metric settles every question of need, choice, disability and dignity.

STAGE 04 — BERLIN AND MILL ON THE PROTECTED SPHERE

BERLIN AND MILL ON THE PROTECTED SPHERE · NEGATIVE LIBERTY · AREA IN WHICH ONE IS LEFT FREE FROM INTERFERENCE · POSITIVE LIBERTY · SELF-DIRECTION, AUTONOMY AND BEING ONE'S OWN MASTER · BERLIN WARNS · RULERS MAY COERCE THE EMPIRICAL SELF FOR AN ALLEGED · POLITICAL GOODS CAN CONFLICT WITHOUT ONE FINAL HARMONY

SYSTEM / DOCTRINE	DECISIVE DISTINCTION	EVALUATION / TRAP
NEGATIVE LIBERTY → area in which one is left free from interference	Berlin warns → rulers may coerce the empirical self for an alleged true self value pluralism → political goods can conflict without one final harmony	of liberty other-regarding harm permits regulation, but offence alone is not harm reply to spillovers → liberty shifts
POSITIVE LIBERTY → self-direction, autonomy and being one's own master	MILL'S HARM PRINCIPLE → coercion is justified to prevent harm to others self-regarding conduct receives a strong presumption	the burden of proof onto coercion

SYSTEM / DOCTRINE

- NEGATIVE LIBERTY → area in which one is left free from interference
- POSITIVE LIBERTY → self-direction, autonomy and being one's own master

DECISIVE DISTINCTION

- Berlin warns → rulers may coerce the empirical self for an alleged true self value pluralism → political goods can conflict without one final harmony
- MILL'S HARM PRINCIPLE → coercion is justified to prevent harm to others self-regarding conduct receives a strong presumption

EVALUATION / TRAP

- of liberty other-regarding harm permits regulation, but offence alone is not harm reply to spillovers → liberty shifts
- the burden of proof onto coercion

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: MILL'S HARM PRINCIPLE → coercion is justified to prevent harm to others self-regarding conduct receives a strong presumption of liberty other-regarding harm permits regulation, but offence alone is not harm reply to spillovers → liberty shifts the burden of proof onto coercion.

STAGE 05 — FROM CONTRACT LIBERTY TO EFFECTIVE FREEDOM

FROM CONTRACT LIBERTY TO EFFECTIVE FREEDOM · ABSENCE OF EXTERNAL IMPEDIMENT; SECURE ORDER MAKES RESIDUAL LIBERTY · LIBERTY UNDER KNOWN LAW PROTECTS LIFE, LIBERTY, PROPERTY AND · AUTONOMY IS OBEDIENCE TO A LAW CITIZENS PRESCRIBE THROUGH · REAL FREEDOM IS THE CAPACITY TO DEVELOP AND PURSUE · UNRESTRICTED ECONOMIC LIBERTY CAN GENERATE UNEQUAL SOCIAL POWER COMPLEMENTARITY · A MINIMUM EQUAL STATUS PROTECTS EVERYONE'S USABLE LIBERTY QUALIFIED · ENABLING FREEDOM MUST NOT BECOME PERFECTIONIST COMPULSION

HOBBES — absence of external impediment; secure order makes residual liberty possible → LOCKE — liberty under known law protects life, liberty, property and consent → ROUSSEAU — autonomy is obedience to a law citizens prescribe through the general will → GREEN — real freedom is the capacity to develop and pursue worthwhile purposes poverty, ignorance → hollow out merely formal non-interference conflict → unrestricted economic liberty can generate unequal social power

SOURCE / DOCTRINE

- HOBBES — absence of external impediment; secure order makes residual liberty possible
- LOCKE — liberty under known law protects life, liberty, property and consent

ARGUMENT / MECHANISM

- ROUSSEAU — autonomy is obedience to a law citizens prescribe through the general will
- GREEN — real freedom is the capacity to develop and pursue worthwhile purposes poverty, ignorance and dependency can

IMPLICATION / VERDICT

- hollow out merely formal non-interference conflict → unrestricted economic liberty can generate unequal social power complementarity → a
- minimum equal status protects everyone's usable liberty qualified verdict → enabling freedom must not become perfectionist compulsion

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: GREEN → real freedom is the capacity to develop and pursue worthwhile purposes poverty, ignorance and dependency can hollow out merely formal non-interference conflict → unrestricted economic liberty can generate unequal social power complementarity → a minimum equal status protects everyone's usable liberty qualified verdict → enabling freedom must not become perfectionist compulsion.

STAGE 06 — TECHNOLOGY DOMINATION AND REPUBLICAN LIBERTY

TECHNOLOGY DOMINATION AND REPUBLICAN LIBERTY · MODERN TECHNOLOGY EXPANDS COMMUNICATION, ASSOCIATION AND ACCESS TO KNOWLEDGE · INTERFERENCE IS AN ACT; DOMINATION IS EXPOSURE TO UNCONTROLLED · PETTIT'S TEST · CAN THE AFFECTED PERSON CONTEST POWER ON EQUAL PUBLIC · AN INDULGENT MASTER MAY NOT INTERFERE YET STILL DOMINATES · PRIVACY, ACCESS AND SECURITY MUST BE ANALYSED AS LIBERTY · PYQ ROUTE

modern technology expands communication, association and access to knowledge surveillance, behavioural profiling and platform dependence

INTERFERENCE is an act; DOMINATION is exposure to uncontrolled arbitrary power → Pettit's test — can the affected person contest power on equal public terms? → an indulgent master may not interfere yet still dominates through standing capacity rule-bound contestable law

SOURCE / DOCTRINE

- modern technology expands communication, association and access to knowledge surveillance, behavioural profiling and platform dependence alter the freedom
- INTERFERENCE is an act; DOMINATION is exposure to uncontrolled arbitrary power

ARGUMENT / MECHANISM

- Pettit's test — can the affected person contest power on equal public terms?
- an indulgent master may not interfere yet still dominates through standing capacity rule-bound contestable law can constitute freedom

IMPLICATION / VERDICT

- rather than merely restrict it trap — privacy, access and security must be analysed as liberty conditions, not
- PYQ route — assess whether technological society makes liberty unreal or differently fragile

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: an indulgent master may not interfere yet still dominates through standing capacity rule-bound contestable law can constitute freedom rather than merely restrict it trap — privacy, access and security must be analysed as liberty conditions, not slogans.

STAGE 07 — JUSTICE FROM HARMONY TO PROPORTION AND REPAIR

JUSTICE FROM HARMONY TO PROPORTION AND REPAIR · JUSTICE IS HARMONY WHEN EACH PART PERFORMS ITS PROPER · REASON GOVERNS WITH SPIRIT WHILE APPETITE REMAINS ORDERED OBJECTION · FUNCTIONAL HARMONY CAN FREEZE HIERARCHY AND SUPPRESS INDIVIDUAL CLAIMS · ARISTOTLE DISTRIBUTIVE JUSTICE · PROPORTIONATE SHARES BY A RELEVANT CRITERION CRITERIA DISPUTE · MERIT, NEED, EQUALITY AND DESERT PRODUCE RIVAL DISTRIBUTIONS · CORRECTIVE JUSTICE

SYSTEM / DOCTRINE	DECISIVE DISTINCTION	EVALUATION / TRAP
PLATO → justice is harmony when each part performs its proper function city and soul analogy → reason	produce rival distributions	UTILITARIAN TEST → aggregate welfare can sacrifice separate persons or minorities justice therefore needs both allocation and rectification
governs with spirit while appetite remains ordered objection → functional harmony can freeze hierarchy and suppress individual claims	CORRECTIVE JUSTICE → restore balance after voluntary or involuntary wrong compensation asks what loss occurred, who caused it	
ARISTOTLE DISTRIBUTIVE JUSTICE → proportionate shares by a relevant criterion criteria dispute → merit, need, equality and desert	and what repair is proportionate	

SYSTEM / DOCTRINE

- PLATO → justice is harmony when each part performs its proper function city and soul analogy → reason
- governs with spirit while appetite remains ordered objection → functional harmony can freeze hierarchy and suppress individual claims
- ARISTOTLE DISTRIBUTIVE JUSTICE → proportionate shares by a relevant criterion criteria dispute → merit, need, equality and desert

DECISIVE DISTINCTION

- produce rival distributions
- CORRECTIVE JUSTICE → restore balance after voluntary or involuntary wrong compensation asks what loss occurred, who caused it
- and what repair is proportionate

EVALUATION / TRAP

- UTILITARIAN TEST → aggregate welfare can sacrifice separate persons or minorities justice therefore needs both allocation and rectification

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: UTILITARIAN TEST → aggregate welfare can sacrifice separate persons or minorities justice therefore needs both allocation and rectification.

STAGE 08 — RAWLS NOZICK SEN AND AMBEDKAR

RAWLS NOZICK SEN AND AMBEDKAR · ORIGINAL POSITION PLUS VEIL OF IGNORANCE MODELS FAIR CHOICE · EQUAL BASIC LIBERTIES WITH LEXICAL PRIORITY SECOND PRINCIPLE · FAIR EQUALITY OF OPPORTUNITY PLUS THE DIFFERENCE PRINCIPLE · JUSTICE DEPENDS ON ACQUISITION, TRANSFER AND RECTIFICATION, NOT A · COMPARE REMEDIABLE INJUSTICE THROUGH CAPABILITY AND PUBLIC REASONING INSTITUTIONAL · POLITICAL DEMOCRACY FAILS WITHOUT SOCIAL EQUALITY AND FRATERNITY COMPARISON · FAIRNESS, ENTITLEMENT, CAPABILITY AND ANTI-CASTE DIGNITY ORDER DIFFERENTLY

DOCTRINE / CLAIM	OBJECTION / PRESSURE	REPLY / RESIDUAL
RAWLS → original position plus veil of ignorance models fair choice first principle → equal basic liberties with	preserve unequal starting structures	AMBEDKAR → political democracy fails without social equality and fraternity comparison → fairness, entitlement, capability and anti-caste dignity
lexical priority second principle → fair equality of opportunity plus the difference principle	SEN → compare remediable injustice through capability and public reasoning institutional justice (niti) differs from realised justice (nyaya)	order differently
NOZICK → justice depends on acquisition, transfer and rectification, not a pattern minimal state protects entitlement but may	in actual lives	

DOCTRINE / CLAIM

- RAWLS → original position plus veil of ignorance models fair choice first principle → equal basic liberties with
- lexical priority second principle → fair equality of opportunity plus the difference principle
- NOZICK → justice depends on acquisition, transfer and rectification, not a pattern minimal state protects entitlement but may

OBJECTION / PRESSURE

- preserve unequal starting structures
- SEN → compare remediable injustice through capability and public reasoning institutional justice (niti) differs from realised justice (nyaya)
- in actual lives

REPLY / RESIDUAL

- AMBEDKAR → political democracy fails without social equality and fraternity comparison → fairness, entitlement, capability and anti-caste dignity
- order differently

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: AMBEDKAR → political democracy fails without social equality and fraternity comparison → fairness, entitlement, capability and anti-caste dignity order differently.

STAGE 09 — INTEGRATED VERDICT PYQ TRAPS AND ANSWER SPINE

INTEGRATED VERDICT PYQ TRAPS AND ANSWER SPINE · STATE THE STRONGEST SENSE OF THE IDEAL NAMED IN · STATUS, OPPORTUNITY, OUTCOME; INTERFERENCE, MASTERY, DOMINATION · USE ONE NAMED THINKER AND EXPLAIN THE MECHANISM, NOT · PRESENT THE STRONGEST OBJECTION OR RIVAL ORDERING PRINCIPLE · USE CASTE, GENDER, RESERVATION OR DIGITAL POWER ONLY WHEN · PYQ ANCHORS · MILL, ROUSSEAU, MARX, BERLIN, PLATO, RAWLS, NOZICK AND SEN

DEFINE → state the strongest sense of the ideal named in the question → DISTINGUISH → status, opportunity, outcome; interference, mastery, dominations → ARGUE → use one named thinker and explain the mechanism, not a decorative quotation → COUNTER → present the strongest objection or rival ordering principle → INDIA → use caste, gender, reservation or digital power only when concept led

SOURCE / DOCTRINE

- DEFINE → state the strongest sense of the ideal named in the question
- DISTINGUISH → status, opportunity, outcome; interference, mastery, domination
- ARGUE → use one named thinker and explain the mechanism, not a decorative quotation
- COUNTER → present the strongest objection or rival ordering principle

ARGUMENT / MECHANISM

- INDIA → use caste, gender, reservation or digital power only when concept-led
- PYQ anchors → Mill, Rousseau, Marx, Berlin, Plato, Rawls, Nozick and Sen close-option trap → liberty is not licence
- equality is not sameness
- justice is not law

IMPLICATION / VERDICT

- 10 marks → definition, distinction, thinker, objection, verdict
- 15 or 20 marks → compare positions, add Indian application and qualify the synthesis
- *END* — justice orders liberty and equality without replacing either ideal

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: 15 or 20 marks → compare positions, add Indian application and qualify the synthesis.
