- the earlier elite politics of petitions and the later mass politics of Gandhi;
- it widened nationalist discussion through branches, lectures, pamphlets and local leadership.
- Tilak's politics after release from Mandalay emphasised a disciplined constitutional agitation

ADVANCED DEBATE
- for Swaraj , not a return to secret revolutionary action.
- Besant's Theosophical and journalistic networks helped connect English-educated groups, students, professionals
- and provincial activists to an all-India demand for Home Rule.
- CAUTION: The movement did not yet mobilise peasants and workers on the scale of Non-Cooperation,

LEGACY / NUANCE
- but it created a public mood in which self-government became a normal political demand.
- The Lucknow Congress allowed the re-entry of Tilak and his followers, ending the damaging Moderate-Extremist split of Surat.
- Congress and the Muslim League agreed on a joint constitutional scheme, with
- Congress accepting separate electorates and weightage for Muslims in certain provinces.

OPTIONAL STATUS — This optional depth is unnecessary for a competent core answer; use it only for added nuance after the complete core has been written.
