E

EXTRA SUBORDINATE ENRICHMENT — ONLY AFTER THE COMPLETE CORE

OPTIONAL ADVANCED ENRICHMENT | NCERT IS CLEAR THAT THE SETTLEMENT DID NOT RESPECT | THEREFORE, THE VIENNA ORDER IS BEST UNDERSTOOD AS A | BRITANNICA NOTES THAT THE REVOLUTIONS OF 1830 AND 1848 | VERONA EXPOSED DISAGREEMENT OVER INTERVENTION, ESPECIALLY ONCE BRITAIN RESISTED | THE KEY WEAKNESS WAS STRUCTURAL | A DYNASTIC SETTLEMENT TRIED TO CONTAIN SOCIAL AND NATIONAL | VIENNA COULD RESTORE RULERS, BUT IT COULD NOT PERMANENTLY

OPTIONAL SOURCE DEPTH

- NCERT is clear that the settlement did not respect national aspirations in Italy, Germany, Poland and elsewhere.
- CAUTION: Therefore, the Vienna order is best understood as a successful short-term peace system with a long-term legitimacy deficit .
- Britannica notes that the revolutions of 1830 and 1848 and later Italian and German unifications made the original form of the Concert obsolete.
- Verona exposed disagreement over intervention, especially once Britain resisted continental policing beyond Europe.

ADVANCED DEBATE

- CAUTION: The key weakness was structural: a dynastic settlement tried to contain social and national forces released by the French Revolution.
- CAUTION: Vienna could restore rulers, but it could not permanently reverse mass politics, public opinion and the national idea.
- The Vienna settlement created the German Confederation , kept Italy divided and strengthened Sardinia-Piedmont.
- CAUTION: That means the settlement directly shaped the later terrain of Italian and German unification .

LEGACY / NUANCE

- CAUTION: Advanced answers should connect Vienna to a longer arc: French
- Revolution - conservative restoration - nationalist revolt - nation-state formation .
- CAUTION: It also marks an early modern example of multilateral diplomacy, though not modern democracy.
- Congress of Vienna met in 1814-15 ; Final Act signed in June 1815 .

OPTIONAL STATUS — This optional depth is unnecessary for a competent core answer; use it only for added nuance after the complete core has been written.
