EXTRA SUBORDINATE ENRICHMENT — ONLY AFTER THE COMPLETE CORE

OPTIONAL ADVANCED ENRICHMENT | NCERT'S NATIONALISM CHAPTER IS ESSENTIAL BECAUSE IT SHOWS HOW | THE FAILURE OF 1848 IS THE TURNING POINT | IDEALIST NATIONALISM SURVIVED, BUT POWER PASSED TO MONARCHIES AND | A MATURE ANSWER SHOULD SAY ITALY WAS UNIFIED, BUT | NORTH-SOUTH INEQUALITIES AND TENSIONS WITH THE PAPACY PERSISTED. | GERMANY UNIFIED UNDER AN AUTHORITARIAN-MONARCHICAL STRUCTURE, NOT UNDER THE | THAT IS WHY ADVANCED ANSWERS OFTEN CONNECT GERMAN UNIFICATION

OPTIONAL SOURCE DEPTH
- NCERT's nationalism chapter is essential because it shows how popular nationalism rose before successful state-led unification.
- CAUTION: The failure of 1848 is the turning point: idealist nationalism survived, but power passed to monarchies and ministers.
- CAUTION: A mature answer should say Italy was unified, but not fully homogenized: north-south inequalities and tensions with the Papacy persisted.
- CAUTION: Germany unified under an authoritarian-monarchical structure, not under the liberal parliamentary hopes of 1848.

ADVANCED DEBATE
- CAUTION: That is why advanced answers often connect German unification to later militarism and the changed balance of power in Europe.
- CAUTION: These unifications are useful for GS-I because they show that nationalism does not always produce democracy first
- sometimes it produces strong nation-states through elite-led consolidation.
- CAUTION: Compare cautiously with Indian nationalism: Italy and Germany were mainly 19th-century European state-building

LEGACY / NUANCE
- projects, while modern Indian nationalism became a broader anti-colonial movement with mass politics.
- CAUTION: For comparison, see Modern-Indian-History/basic/14 Foundation-of-INC-and-Moderate-Phase.md
- do not collapse European national unification and Indian anti-colonial nationalism into one template.
- Risorgimento refers to the movement for Italian unification.

OPTIONAL STATUS — This optional depth is unnecessary for a competent core answer; use it only for added nuance after the complete core has been written.
