

ASCII MASTER FLOW - PANEL 1/22: The printed clause, the central question and the fence
SYLLABUS (verbatim) -> "Humanism; Secularism; Multi-culturalism."

| three doctrines are printed, and only three, as three
| SEPARATE NOUNS joined by semicolons
v

THE CENTRAL QUESTION -> HOW CAN THE EQUAL WORTH OF EVERY HUMAN BEING SURVIVE
IN A WORLD OF MANY RELIGIONS AND MANY CULTURES --
WITHOUT FLATTENING DIFFERENCE INTO UNIFORMITY OR
LETTING DIFFERENCE EXCUSE DOMINATION?

|
v

THREE LEVELS OF ONE ANSWER -- NOT THREE TOPICS ON A LIST

HUMANISM THE MORAL FLOOR -> why does this person count at all?
SECULARISM THE TERMS OF POWER -> on what terms may coercion act?
MULTICULTURALISM . THE POLICY FORM -> what does equal membership require?

|
v

+-----+-----+-----+		
HUMANISM	SECULARISM	MULTICULTURALISM
+-----+-----+-----+		
SUPPLIES:	SUPPLIES:	SUPPLIES:
universal dignity	fair terms of	recognition, accommoda-
and responsible	citizenship amid	tion, cultural membership
agency	religious disagreement	
+-----+-----+-----+		
EXCESS:	EXCESS:	EXCESS:
an ABSTRACT	FORMAL NEUTRALITY that	group claims that SHELTER
"human" erases	CONCEALS MAJORITY	HIERARCHY or FRAGMENT
historical	PRIVILEGE	common standing
difference		
+-----+-----+-----+		
CORRECTED BY:	CORRECTED BY:	CORRECTED BY:
multicultural	PRINCIPLED DISTANCE	human dignity and secular
RECOGNITION	examining INTRA- as	citizenship LIMITING
	well as INTER-religious	INTERNAL RESTRICTIONS
	domination	
+-----+-----+-----+		

|
v

OWNERSHIP FENCE legal rights, duties and accountability -> Individual and
State | theocracy and democratic legitimacy -> Forms of Government |
Marxism as ideology -> Political Ideologies | caste doctrine and the
Gandhi-Ambedkar comparison -> Caste Discrimination | internal patriarchy as
GENDER DOCTRINE -> Gender Discrimination | anthropocentric-biocentric-
ecocentric spectrum, shallow/deep ecology, intergenerational justice ->
Development and Social Progress | truth of religion, religious pluralism as
a THEOLOGICAL problem, religion-and-morality -> Philosophy of Religion
BOUNDED BRIDGES AMBEDKAR (constitutional morality, graded status) -- NAME AND
ROUTE, never re-expound | OKIN -- an objection INSIDE multiculturalism, not
gender theory | FRASER and HONNETH -- CORE in this owner, NOT enrichment
NOT ROUTED NEHRU and RAWLS are not independent routed demands 2018-2025;
"public reason" is used in a MINIMAL POLITICAL SENSE only
CORPUS SHARE -> 16 of 112 parts (2018:3 2019:1 2020:2 2021:1 2022:2 2023:2

2024:3 2025:2) -- the HEAVIEST single owner in Section A.
Multiculturalism 7 | Humanism 5 | Secularism 4

```

ASCII MASTER FLOW - PANEL 2/22: The corrective circuit, the three tensions and the shared limit
THE CIRCUIT -- STATE IT AND THE ANSWER HAS A SPINE
  MULTICULTURAL RECOGNITION makes humanist universality DIFFERENCE-SENSITIVE
    |
    v
  PRINCIPLED DISTANCE examines BOTH inter-religious AND INTRA-religious
  domination, so formal neutrality cannot conceal majority privilege
    |
    v
  HUMAN DIGNITY and SECULAR CITIZENSHIP LIMIT INTERNAL RESTRICTIONS inside
  the recognised group
    |
    +----> and back to the top: the circuit runs BOTH WAYS, which is why
           NO SINGLE DOCTRINE IN THE CLAUSE IS SELF-SUFFICIENT
    |
    v
THREE RECURRENT TENSIONS -- EVERY LONG ANSWER TREATS ONE OF THESE
  1 UNIVERSAL DIGNITY vs CULTURAL DIFFERENCE
    a common human floor must not become a demand for UNIFORM IDENTITY;
    cultural recognition must not suspend BODILY INTEGRITY, VOICE, EQUALITY
  2 SECULAR CITIZENSHIP vs RELIGIOUS MEMBERSHIP
    conscience protects BELIEF AND NON-BELIEF, while coercive public power
    requires reasons compatible with EQUAL CIVIC STANDING
  3 RECOGNITION vs COMMON CITIZENSHIP
    differentiated rights are justified where they REMOVE MAJORITY-CREATED
    BURDENS, not where they ESTABLISH PERMANENT POLITICAL RANK
    |
    v
THE SHARED LIMIT -- CLOSES ALMOST EVERY ANSWER IN THIS CLAUSE
+-----+
| NO CULTURE, NO COMMUNITY AND NO STATE MAY IMMUNISE DOMINATION |
| FROM CRITICISM. RECOGNITION IS OWED TO PERSONS *THROUGH* THEIR |
| CULTURES, NEVER TO AN ELITE'S UNRESTRICTED JURISDICTION OVER  |
| MEMBERS.                                                       |
+-----+
    |
    v
MASTER THESIS (adapt for any stem) -> HUMANISM WITHOUT PLURALISM CAN BECOME
HOMOGENISING; PLURALISM WITHOUT A HUMANIST FLOOR CAN EXCUSE OPPRESSION;
SECULARISM MEDIATES BY PROTECTING CONSCIENCE WHILE MAKING PUBLIC POWER
ANSWERABLE TO EQUAL CITIZENSHIP.
STANDING RULE -> these three doctrines INVITE CELEBRATORY WRITING. Every stem
here is answered by SPECIFYING LIMITS, not by affirming values. An answer
that never says what the doctrine CANNOT DO has not been evaluated.

```

ASCII MASTER FLOW - PANEL 3/22: Humanism -- the ground and scope of moral status
DOCTRINE (v) -> the family of outlooks that treats HUMAN DIGNITY, RATIONAL AND
CREATIVE AGENCY, MORAL RESPONSIBILITY and HUMAN FLOURISHING as central
standards of value and inquiry.

TECHNICALLY -> a thesis about the GROUND and the SCOPE of MORAL STATUS.

GROUND = capacity for reflection, self-correction, responsible self-direction

SCOPE = by construction, the HUMAN SPECIES <- state this openly; it is what
makes the anthropocentrism objection ANSWERABLE rather than fatal

|
v

THE HUMAN PERSON -- an END, never a MERE INSTRUMENT of church, state,
caste, market or community

|

+-----+-----+-----+-----+-----+

v	v	v	v	v
DIGNITY	REASON	AGENCY	FLOURISHING	ALL FOUR JOINED TO
unearned	critical	respon-	this-worldly	RESPONSIBILITY AND LIMITS
worth	inquiry and	sible	realisation	(dignity is NOT licence)
	self-	self-	of capacities	
	correction	direction		

|
v

SIX CONFUSIONS -- ONE SENTENCE EACH; USE THREE IN THE OPENING PARAGRAPH

humanism != ATHEISM secular humanism is non-theistic, but
RELIGIOUS HUMANISMS also exist

humanism != ANTHROPOCENTRISM ... humanism centres human WORTH;
anthropocentrism centres human INTEREST
and can license MASTERY over nature

humanism != HUMANITARIANISM humanitarianism RELIEVES suffering;
humanism GROUNDS why the sufferer counts

humanism != HUMAN RIGHTS rights are LEGAL ENTITLEMENTS with
REMEDIES; humanism supplies MORAL STANDING

humanism != EGOISTIC many humanists stress SOLIDARITY,
INDIVIDUALISM education and common humanity

humanism != PROTAGOREAN "human-centred" does NOT entail that
RELATIVISM every belief is equally true

|
v

TEST -> humanism answers "WHY DOES THIS PERSON COUNT AT ALL?" -- not

"what shall we give them?" and not "does God exist?"

CONTESTED ? -> the MARGINAL-CASES objection: grounding worth in the capacity
for rational self-direction seems to exclude infants and persons in states
of severe dependence. REPLY -> the capacity is invoked at the level of the
KIND OF BEING, and vulnerability and dependence are part of the humanist
PREMISE rather than exceptions to it. RESIDUAL -> that makes the criterion
look SPECIES-BASED rather than CAPACITY-BASED -- which the EXTENSIONAL reply
in Panel 11 then exploits.

ASCII MASTER FLOW - PANEL 4/22: The five-step humanist argument and its presuppositions

STEP 1 -> THE SHARED HUMAN CONDITION: suffering, agency, dependence,
creativity, MUTUAL VULNERABILITY

|
v

STEP 2 -> INSTITUTIONS SIT INSIDE THAT CONDITION and AFFECT persons' capacity
to flourish

|
v

STEP 3 -> THEREFORE CLAIMS OF AUTHORITY MUST BE JUSTIFIED IN TERMS ACCESSIBLE
TO HUMAN REASON AND EXPERIENCE -- not insulated by STATUS or by
REVELATION ALONE <<< THE HINGE

|
v

STEP 4 -> THEREFORE EACH PERSON POSSESSES WORTH, not merely instrumental value

|
v

STEP 5 -> THEREFORE EDUCATION, CRITICISM and FREE INQUIRY are CONDITIONS of
responsible self-development, not optional additions

|
v

```
+-----+
| THREE PRESUPPOSITIONS -- OBJECTIONS ATTACK THESE, NOT THE STEPS |
| P1 (v) persons possess capacities for REFLECTION and SELF-      |
| CORRECTION                                                       |
| P2 (v) human life has value NOT EXHAUSTED BY INHERITED RANK      |
| <- this is what lets humanism criticise ASCRIPTIVE              |
| HIERARCHY as such                                                |
| P3 (!) COMMON HUMANITY can ground CROSS-CULTURAL CRITICISM      |
| WITHOUT ERASING DIFFERENCE <<< THE CONTESTED ONE                |
+-----+
```

THE ABSTRACT-UNIVERSALISM OBJECTION ATTACKS P3 AND NOTHING ELSE.

|
v

THE BRIDGE OUT -> STEP 3 IS THE SAME PREMISE THAT GENERATES THE SECULAR
ARGUMENT (Panel 13): if coercive power must be justifiable to those it
binds, it cannot rest on a theology some citizens reject.
HUMANISM --- (burden of justification) ---> SECULARISM
USE THIS JOIN, NEVER A HISTORICAL NARRATIVE.

|
v

CONTESTED ? -> STEP 3 IS EITHER TRIVIAL OR QUESTION-BEGGING. If "accessible to
reason" means INTELLIGIBLE, theology qualifies and nothing is excluded; if it
means ACCEPTABLE TO A SECULAR REASONER, the conclusion is in the premise.
REPLY -> the test is CHECKABILITY BY THE PERSON BOUND: a justification must
be open to examination, criticism and revision by someone who does not
already accept the authority's standing. A theological reason PASSES when
offered as an ARGUMENT and FAILS when offered as a CREDENTIAL.
RESIDUAL -> checkability is sharp at the extremes and INDETERMINATE in the
middle range.

WHAT THE ARGUMENT DOES NOT CLAIM -> not that reason is infallible, not that
religion is false, not that every institution is illegitimate. Only that
LEGITIMACY IS EARNED BY JUSTIFICATION, NOT POSSESSED BY STATUS.

ASCII MASTER FLOW - PANEL 5/22: Renaissance, Enlightenment and the five-step mechanism

RENAISSANCE HUMANISM	ENLIGHTENMENT HUMANISM
recovered CLASSICAL LEARNING,	RADICALISED the demand that BELIEFS
RHETORIC, HISTORY and HUMAN	and INSTITUTIONS answer to REASON,
AGENCY as objects of study	CRITICISM and PUBLIC JUSTIFICATION
GROUND: cultivated capacity	GROUND: reason, autonomy, universal
RELIGION: often CHRISTIAN	personhood
RISK: ELITIST CULTIVATION	RELIGION: critical / tolerant
	RISK: ABSTRACT UNIVERSALISM

+-----+-----+

v

THE FIVE STEPS -- WRITE THESE, NOT "THE AGE OF REASON"

+-----+

1	AUTHORITY shifts from INHERITED STATUS -> REASONED JUSTIFICATION
2	SCIENTIFIC INQUIRY challenges EPISTEMIC MONOPOLY
3	CONSCIENCE and TOLERATION weaken COMPULSORY RELIGIOUS UNIFORMITY
4	NATURAL-RIGHT and AUTONOMY traditions UNIVERSALISE the MORAL
	STANDING of persons -- standing ceases to attach to OFFICE,
	ESTATE or CONFESSION
5	EDUCATION becomes a means of EMANCIPATION

+-----+

|

v

===== THE QUALIFICATION -- NEVER OMIT =====
HUMANISM IS *NOT* CREATED FROM NOTHING BY EIGHTEENTH-CENTURY EUROPE.
STOIC COSMOPOLITANISM | RELIGIOUS TRADITIONS | BHAKTI-SUFI EGALITARIAN
IMPULSES | INDIAN REFORM TRADITIONS also supply HUMAN-CENTRED RESOURCES.
THE ENLIGHTENMENT IS A *DECISIVE MODERN ARTICULATION*, NOT THE SOLE SOURCE.
=====

|

v

WHY THE QUALIFICATION EARNS MARKS -> without it the answer implies dignity
is a EUROPEAN EXPORT, CONTRADICTS the Indian humanism in Panels 8-9 of the
same script, and CONCEDES THE COLONIALITY OBJECTION FOR FREE.
CONTESTED ? -> COLONIALITY. Enlightenment universalism was contemporaneous
with empire, slavery and exclusion. REPLY (two parts) -> (a) the movement
supplied the PREMISES later used AGAINST its own exclusions; (b) the
plural-sources qualification removes the need to treat it as THE ORIGIN.
RESIDUAL -> the contribution is then the FORM of the claim rather than its
CONTENT, and the "human" required SUBSTANTIAL RECONSTRUCTION.
TWO STEMS, TWO SHAPES -> 2022 Q1(a) [10] = MECHANISM + QUALIFICATION is a
complete answer. 2024 Q2(a) [20] = CENTRAL TENETS FIRST (about half the
answer), THEN the mechanism. Writing the 10-marker at greater length is the
commonest way to lose the 20-marker.

ASCII MASTER FLOW - PANEL 6/22: The seven forms and the five selection tests

FORM	GROUND OF DIGNITY	RELIGION	RISK
CLASSICAL / CULTURAL	cultivated reason, civic virtue, classical learning	compatible with several settings	idealises an EXCLUSIVE educated citizen
RENAISSANCE	cultivated human capacities	often CHRISTIAN	ELITIST CULTIVATION
ENLIGHTENMENT	reason, autonomy, universal personhood	critical / tolerant	ABSTRACT UNIVERSALISM
SECULAR / NATURALISTIC	naturalistic inquiry and human welfare	REJECTS supernatural authority	SCIENTISM
RELIGIOUS	divine or spiritual worth through SERVICE	can DEEPEN human concern	PATERNALISM
MARXIST	creative, social SPECIES-BEING; overcoming ALIENATION	read through material suffering	CONTESTED within Marxism
RADICAL (M. N. ROY)	SOVEREIGNTY OF THE RATIONAL INDIVIDUAL	secular	UNDERESTIMATES STRUCTURAL POWER

BOUNDARY -> EXISTENTIAL humanism is a DEFENSIBLE COMPARISON on freedom,
responsibility and self-making, but is NEITHER PRINTED NOR ROUTED. One
bounded comparison only; it must not DISPLACE the forms the stems need.

|
v

FIVE SELECTION TESTS (2018 Q3(c) asks for SELECTION, not a CATALOGUE)

1	UNIVERSAL FLOOR	equal dignity -> permits criticism of caste, exclusion, instrumentalisation
2	EPISTEMIC METHOD	reason, science, REVISABLE inquiry -> resists inherited/ideological monopoly
3	SOCIAL CONCEPTION	persons formed through RELATION and COMMUNITY -> avoids atomistic individualism
4	DIFFERENCE- SENSITIVITY	gender, caste, culture and historical voice CORRECT the abstract "human"
5	ECOLOGICAL LIMIT	flourishing is INTERDEPENDENT with living systems -> restrains anthropocentric mastery

EACH RISK IN THE TABLE IS THE FAILURE MODE ONE TEST DETECTS. USE THE TWO
COLUMNS TOGETHER AND THE SELECTION IS ARGUED, NOT ASSERTED.

|
v

GRADED VERDICT -> a CRITICAL, PLURAL and ECOLOGICAL HUMANISM: NATURALISTIC
in method, UNIVERSAL in dignity, RELATIONAL in personhood, SELF-CORRECTING
under feminist, anti-caste, postcolonial and ecological criticism.

(!) LABEL IT HONESTLY: an ARGUED SYNTHESIS of strengths and limits already
present in the family -- NOT a new canonical school with a founder.

CONTESTED ? -> the tests are CHOSEN so a liberal-naturalistic-ecological
position wins. REPLY -> each test is derived from a failure THE TRADITION
ITSELF RECORDED. RESIDUAL -> the selection is INTERNAL to humanism and has
NO FORCE against someone outside it.

ASCII MASTER FLOW - PANEL 7/22: Four relations, four limits -- and where the limits lead

RELATION	HUMANIST CONTRIBUTION	LIMIT
HUMAN RIGHTS	supplies the MORAL STATUS from which LEGAL ENTITLEMENTS can be argued	rights require INSTITUTIONS and REMEDIES beyond moral affirmation
SCIENCE	protects INQUIRY from EPISTEMIC MONOPOLY; demands REVISABILITY	scientific method ALONE cannot derive every value
RELIGION	may REJECT supernatural authority OR REINTERPRET faith through SERVICE and EQUAL WORTH	humanism is NOT simply ANTI-RELIGION
COMMUNITY	LANGUAGE, CARE and SOCIAL RELATION are CONDITIONS of DEVELOPED AGENCY	COMMUNITY CANNOT CANCEL THE DIGNITY OR DISSENT OF A MEMBER

↓
v

READ DOWN THE LIMIT COLUMN AND IT MAPS THE REST OF THE CLAUSE

rights need INSTITUTIONS -> SECULARISM supplies the terms on which institutions may COERCE

science cannot derive VALUES ... -> the MORAL FLOOR is ARGUED, not FOUND

humanism is NOT anti-religion .. -> the secular state protects CONSCIENCE, INCLUDING RELIGIOUS conscience

community cannot cancel DIGNITY -> the INTERNAL-RESTRICTION LIMIT on MULTICULTURAL RECOGNITION

THE FOURTH LIMIT IS THE MOST REUSED SENTENCE IN THE WHOLE CLAUSE, AND IT IS WHAT MAKES THE INTERNAL-RESTRICTION TEST A *HUMANIST* CONCLUSION RATHER THAN AN EXTERNAL IMPOSITION ON COMMUNITIES.

CONTESTED ? -> IF community is a CONDITION of agency, the standards by which a member criticises it are SUPPLIED BY IT, so the "dissenting member" is a fiction. REPLY -> communities are INTERNALLY PLURAL, contain their own reformers, and often fail BY THEIR OWN DECLARED STANDARDS; criticism begins INSIDE. RESIDUAL -> where dissent is suppressed EARLY and SUCCESSFULLY the internal-resources argument is thin, and critique must lean on P3 of Panel 4.

ASCII MASTER FLOW - PANEL 8/22: Tagore -- five reconciliations and one argument

+-----+-----+	
APPARENT OPPOSITION	TAGOREAN MEDIATION
+-----+-----+	
INDIVIDUAL /	individuality FULFILS ITSELF through
UNIVERSAL	RELATION, creativity and sympathy
REASON /	critical intelligence and spiritual depth
SPIRITUALITY	NEED NOT EXCLUDE each other
EAST / WEST	civilisations meet through RECIPROCAL
	LEARNING -- not IMITATION, not CHAUVINISM
FREEDOM /	community NOURISHES freedom when it is NOT
COMMUNITY	COERCIVE
FINITE / INFINITE	the human reaches beyond EGO through ART,
	LOVE and PARTICIPATION IN A LARGER LIFE
+-----+-----+	

SOURCE GROUND -> THE RELIGION OF MAN and NATIONALISM (titles only; NO page, edition, date or verbatim wording is asserted; DO NOT QUOTE).

|
v

THE ARGUMENT -- THIS IS WHAT "HOW" IS ASKING FOR (2025 Q3(b))

+-----+-----+	
1. the ISOLATED EGO is INCOMPLETE	
2. creative SELF-EXPRESSION ALREADY PRESUPPOSES language,	
relation and a WORLD SHARED WITH OTHERS	
3. therefore UNIVERSAL HUMANITY is NOT AN EXTERNAL ABSTRACTION	
but a DIMENSION OF FULFILLED PERSONHOOD	
+-----+-----+	

RECONCILIATION IS THEREFORE *DISSOLUTION OF A FALSE OPPOSITION*, NOT COMPROMISE and NOT SYNTHESIS-BY-BLENDING.

|
v

POLITICAL COROLLARY -> the MECHANICALLY ORGANISED NATION can subordinate LIVING PERSONS and CIVILISATIONAL EXCHANGE to COLLECTIVE POWER.
(!) His universalism is NOT ROOTLESSNESS: one enters universality *THROUGH* creative culture, not by ERASING it.

|
v

EVALUATION (the directive requires it)

OBJECTION (v) -> universal humanism may become TOO SPIRITUAL and

INSUFFICIENTLY ATTENTIVE to CASTE, CLASS and INSTITUTIONAL POWER

REPLY (!) -> Tagore supplies an ETHIC OF RELATION and an ANTI-NATIONALISM;

AMBEDKAR and MARX expose STRUCTURES that SYMPATHY ALONE CANNOT DISSOLVE

(AMBEDKAR = BOUNDED BRIDGE; caste doctrine is NOT developed here)

RESIDUAL ? -> the doctrine states what FULFILLED PERSONHOOD IS without

explaining how its CONDITIONS -- education, standing, creative access --

are SECURED AGAINST ENTRENCHED POWER

ASYMMETRIC VERDICT -> PHILOSOPHICALLY SUCCESSFUL, POLITICALLY INCOMPLETE.

ASCII MASTER FLOW - PANEL 9/22: Gandhi, Vivekananda, Roy -- and the convergence row
 WHAT GROUNDS HUMAN WORTH?

RELIGIOUS / SPIRITUAL <----->	NATURALISTIC / RATIONAL
GANDHI	M. N. ROY
UNITY and EQUAL WORTH OF LIFE; humanism that is RELIGIOUS, ETHICAL and PRACTICAL	SOVEREIGNTY OF THE RATIONAL INDIVIDUAL, above PARTY, CLASS, STATE
TEST of public action: its EFFECT ON THE MOST VULNERABLE	FREEDOM = the PROGRESSIVE REMOVAL OF RESTRAINTS on human POTENTIAL
but MORAL REGENERATION and NON-VIOLENCE remain INDISPENSABLE	DEMOCRACY must be PARTICIPATORY and ETHICALLY GROUNDED, not merely ELECTORAL

AXIS	M. N. ROY	GANDHI
GROUND	naturalistic reason, individual autonomy	spiritual unity, truth, non-violence
RELIGION	rejects supernatural authority	religion can ETHICALLY DISCIPLINE politics
POLITICS	organised PARTICIPATORY DEMOCRACY	SELF-RULE (swaraj), constructive work, DECENTRALISATION
COMMON POINT	NO COLLECTIVE IDOL MAY EXTINGUISH THE PERSON	THE SAME, expressed through conscience and non-violence

<<< THE COMMON ROW IS THE MARK-BEARING ONE: TWO OPPOSED METAPHYSICS
 CONVERGE ON ONE PROTECTION, SO THE INDIAN HUMANIST FLOOR IS
 OVER-DETERMINED AND THEREFORE ROBUST. >>>

|
 v

ROY'S NAMED LIMIT -> individual reason may be SOCIALLY CONDITIONED, and
 MORAL EDUCATION ALONE may not overcome STRUCTURAL INEQUALITY.

ROY'S REPLY -> he need not deny structure; the warning is that NO PROMISED
 COLLECTIVE FUTURE licenses the PRESENT EXTINCTION of INDIVIDUAL FREEDOM.

GANDHI'S NAMED LIMIT -> virtue without institutions is FRAGILE -> the
 BHARGAVA supplement in Panel 16.

CONTESTED ? -> grouping the three FLATTENS a real incompatibility, since
 Roy's naturalism DENIES what Vivekananda's divine potential ASSERTS.
 REPLY -> the grouping is by CONCLUSION AND FUNCTION, not metaphysics, and
 the AXIS IS DRAWN BEFORE the thinkers are placed on it. RESIDUAL -> a
 functional grouping cannot settle a METAPHYSICAL dispute; it shows the
 political protection is OVER-DETERMINED, not that either ground is correct.

ASCII MASTER FLOW - PANEL 10/22: Can humanism substitute for religion?

"SUBSTITUTE" IS A *FUNCTIONAL* RELATION -> X substitutes for Y when X DISCHARGES Y'S FUNCTION. So the question is NOT whether humanism is truer or better; it is WHICH OF RELIGION'S FUNCTIONS a human-centred outlook carries.

FUNCTION OF RELIGION	CAN HUMANISM SUPPLY IT?	RESIDUAL ISSUE
MORAL ORIENTATION	SUBSTANTIALLY -- suffering, reciprocity, dignity, responsibility	disagreement over an ULTIMATE FOUNDATION
PUBLIC ETHIC	YES -- common humanity and reason justify EQUAL CIVIC STANDING	abstract reason must LEARN from cultural and historical experience
COMMUNITY AND SOLIDARITY	PARTLY -- associations, education, service create fellowship	INHERITED RITUAL and BELONGING may not be replaceable
MEANING, TRANSCENDENCE, EXISTENTIAL CONSOLATION	ONLY PARTLY, AND FOR SOME PERSONS	not EVERY religious horizon is reproduced

|
v

THE INDIAN ARGUMENT THE 2021 STEM EXPRESSLY DEMANDS in a DEEPLY RELIGIOUS AND PLURAL SOCIETY, a humanism that DEMANDED IRRELIGION would VIOLATE THE EQUAL CONSCIENCE later protected by SECULARISM. GANDHI and VIVEKANANDA -> human concern and faith CAN REINFORCE each other M. N. ROY -----> an ethical humanism CAN ALSO BE NATURALISTIC INDIA THEREFORE SUPPLIES *BOTH HALVES* OF THE VERDICT. (!) This is an argument about CONSCIENCE, not a description of Indian religiosity. NO EMPIRICAL CLAIM about Indian society is made.

|
v

VERDICT -> humanism CAN substitute for religion's ETHICAL and CIVIC role, but NOT NECESSARILY for its full COMMUNAL, MEANING-CONFERRING or TRANSCENDENT role. Best defended as a UNIVERSAL FLOOR COMPATIBLE WITH, AND CRITICAL OF, PLURAL RELIGIOUS CONSCIENCES -- NOT as their COMPULSORY REPLACEMENT. CONTESTED ? -> the FUNCTIONAL DIVISION begs the question: for a believer the functions are HELD TOGETHER by the belief that grounds them. REPLY -> reform movements INSIDE traditions revise belief while preserving moral orientation and community, so the functions are DISTINGUISHABLE. RESIDUAL -> for a person for whom they are genuinely INSEPARABLE the answer is NO -- which is why the canonical verdict says "NOT NECESSARILY", not "NOT".

ASCII MASTER FLOW - PANEL 11/22: The four standing objections to humanism

#	OBJECTION	BEST REPLY	RESIDUAL
1	ANTHROPOCENTRISM licenses domination of non-human nature	dignity NEED NOT imply SPECIES MASTERY; ecological humanism reads flourishing as INTERDEPENDENT	human interests may still DOMINATE; the strongest reply GIVES UP the species-centred criterion
2	ABSTRACT UNIVERSALISM -- "the human" has reflected MALE, EUROPEAN, DOMINANT- CASTE experience	feminist, anti-caste and postcolonial critiques RECONSTRUCT rather than abandon dignity: universality is ACHIEVED through INCLUSION and CONTESTATION	who ADJUDICATES a contested reading of dignity when states, communities and members disagree?
3	RELIGIOUS -- moral- ity WITHOUT TRANS- CENDENCE lacks an ULTIMATE FOUNDATION	humanists appeal to SUFFERING, RECIPRO- CITY, AUTONOMY, SHARED CONDITIONS; RELIGIOUS HUMANISTS show compatibility	the FOUNDATION dispute is RELOCATED, not RESOLVED
4	ANTI-HUMANIST -- the SOVEREIGN RATIONAL SUBJECT is HISTORIC- ALLY CONSTRUCTED	DECENTRING corrects arrogance; TOTAL abandonment makes RESPONSIBILITY and EMANCIPATION UNSTATABLE	if the subject is WHOLLY CONSTRUCTED, so is the GROUND OF CRITIQUE

AT 15 AND 20 MARKS: TWO OBJECTIONS FULLY WORKED, EACH ENDING IN A RESIDUAL,
OUTSCORE FOUR LISTED IN OUTLINE.

↓
v

ANTHROPOCENTRISM, PRECISELY STATED -> humanism does not merely OMIT non-human
nature; it can POSITIVELY LICENSE DOMINATION by making RATIONAL HUMAN AGENCY
the SOLE GROUND of moral status. If dignity attaches to RATIONAL SELF-
LEGISLATING AGENTS, non-agents fall outside the moral community BY
CONSTRUCTION, NOT BY OVERSIGHT.

↓
v

THREE REPLIES IN ASCENDING STRENGTH -- LABEL THEM AS SUCH

- 1 INSTRUMENTAL ecological destruction HARMS HUMANS -> a consistent humanism
must protect ecosystems. <<< WEAKEST: PRESERVES
anthropocentrism and merely EXTENDS ITS REACH
- 2 RELATIONAL human flourishing is CONSTITUTED, not merely supported, by
relations with living systems -> ecological care is INTERNAL
to dignity, not added to it
- 3 EXTENSIONAL the criterion grounding human dignity -- the capacity to
FARE WELL OR BADLY, to be HARMED, to have a life that can go
BETTER OR WORSE -- is NOT confined to human beings, so
CONSISTENCY requires extending MORAL CONSIDERABILITY

|
v

UNRESOLVED RESIDUE -> reply 3 CONCEDES that the NAME "HUMANISM" NO LONGER FITS. EITHER the doctrine is reconstructed ecologically and GIVES UP its species-centred criterion, OR it retains the criterion and ACCEPTS A LIMIT IT CANNOT ARGUE AWAY. SAY THIS; DO NOT CONCEAL IT.
ROUTE -> anthropocentric-biocentric-ecocentric spectrum, shallow/deep ecology, intergenerational justice -> DEVELOPMENT AND SOCIAL PROGRESS.

ASCII MASTER FLOW - PANEL 12/22: Secularism -- five words that are not synonyms

TERM	KIND OF CLAIM	WHAT IT ACTUALLY SAYS
SECULARISATION	SOCIOLOGICAL (description)	DECLINE or TRANSFORMATION of RELIGIOUS AUTHORITY
ATHEISM	METAPHYSICAL (truth-claim)	the belief that GOD DOES NOT EXIST
RELIGIOUS TOLERATION	PERMISSIVE (attitude/policy)	PERMISSION to dissent -- MAY COEXIST WITH AN ESTABLISHED RELIGION
RELIGIOUS PLURALISM	DESCRIPTIVE or EVALUATIVE	the FACT and/or VALUE of MULTIPLE RELIGIONS
SECULARISM	POLITICAL- NORMATIVE	PRINCIPLES governing PUBLIC POWER and RELIGIOUS FREEDOM

|
v

FOUR ONE-LINE DISPOSALS -- USE THREE IN THE OPENING PARAGRAPH

=/= SECULARISATION a NORM is not a PREDICTION. A DEEPLY RELIGIOUS society
can be THOROUGHLY SECULAR IN ITS STATE; a society where
religion has quietly declined can remain UNSECULAR IN
ITS LAW.

=/= ATHEISM the state takes NO POSITION on God; it protects BELIEF
and NON-BELIEF alike.

=/= TOLERATION toleration is PERMISSION GRANTED BY THE POWERFUL and
SURVIVES ESTABLISHMENT; secularism REMOVES THE RANK that
makes permission possible.

=/= PLURALISM pluralism is about RELIGIONS; secularism is about the
STATE'S COERCIVE RELATION to them.

|
v

DOCTRINE (v) -> a NORMATIVE ARRANGEMENT of religion, state and citizenship
designed to secure FREEDOM OF CONSCIENCE, EQUAL CIVIC STANDING and
protection against BOTH:

RELIGIOUS DOMINATION of the state and of citizens by an established or politically supreme faith	ARBITRARY STATE CONTROL OF RELIGION -- the state deciding doctrine, certifying orthodoxy or suppressing practice at will
---	---

A DOCTRINE GUARDING ONLY DIRECTION ONE COLLAPSES INTO ANTI-CLERICALISM.
A DOCTRINE GUARDING ONLY DIRECTION TWO COLLAPSES INTO RELIGIOUS AUTONOMY
WITHOUT EQUAL CITIZENSHIP.

CONTESTED ? -> the SECULARISM/SECULARISATION separation is OVERDRAWN, since
secular principles emerged ALONGSIDE declining religious authority. REPLY ->
the distinction is CONCEPTUAL, not CAUSAL: the argument for conscience does
not have declining belief as a PREMISE. RESIDUAL -> logical independence does
not establish PRACTICAL DURABILITY.

ASCII MASTER FLOW - PANEL 13/22: The five-step secular argument and its two failure modes

STEP 1 -> citizens REASONABLY DISAGREE about religion and the ULTIMATE GOOD
| (sincere, informed, careful people reach different conclusions)

v

STEP 2 -> COERCIVE STATE POWER APPLIES TO ALL -- including those who reject
| the doctrine that would justify it

v

STEP 3 -> IF political status depends on adherence to ONE FAITH, DISSENTERS
| BECOME UNEQUAL CITIZENS <<< ESTABLISHMENT ERROR

v

STEP 4 -> IF religious communities are WHOLLY IMMUNE from public norms,
| INTERNAL DOMINATION may go UNCHALLENGED <<< ABANDONMENT ERROR
| <<< THE STEP CANDIDATES OMIT -- AND THE SOURCE OF PRINCIPLED
| DISTANCE

v

STEP 5 -> THEREFORE, THREE CONJOINED REQUIREMENTS

+-----+

(a) PROTECT CONSCIENCE	
(b) REFUSE RELIGIOUS QUALIFICATION FOR CITIZENSHIP	
(c) REGULATE INTERVENTION BY PUBLICLY JUSTIFIABLE PRINCIPLES	

+-----+

(a) and (b) correct the ESTABLISHMENT ERROR; (c) corrects the ABANDONMENT
ERROR. THE CONCLUSION HAS THREE PARTS BECAUSE THE ARGUMENT FOUND TWO
FAILURE MODES, NOT ONE.

|

v

PRESUPPOSITION (!) -> POLITICAL LEGITIMACY MUST BE INTELLIGIBLE TO CITIZENS
WHO DO NOT SHARE A SINGLE THEOLOGY.

<- THIS IS STEP 3 OF THE HUMANIST ARGUMENT (Panel 4) APPLIED TO RELIGIOUS
DISAGREEMENT. THE TWO LIMBS OF THE CLAUSE JOIN HERE.

|

v

WHAT THE ARGUMENT DOES NOT ASSUME -> not that religion is FALSE; not that
religious reasons are ILLEGITIMATE in public debate; not that citizens
should not BE religious. Only that COERCION IS UNIVERSAL IN REACH and that
LEGITIMACY MUST BE INTELLIGIBLE ACROSS THEOLOGICAL DISAGREEMENT -- which is
why A BELIEVER HAS AS MUCH REASON TO ENDORSE IT AS A NON-BELIEVER.

CONTESTED ? -> STEP 1 does illegitimate work: calling religious disagreement
"REASONABLE" concedes that no religion is KNOWABLY TRUE. REPLY -> it is a
claim about the CONDITIONS OF PUBLIC JUSTIFICATION, not about religious
epistemology; a believer may privately hold their view TRUE. RESIDUAL -> the
reply weakens against a doctrine holding that THE STATE ITSELF HAS RELIGIOUS
DUTIES; there the argument can only show WHAT IS LOST.

ASCII MASTER FLOW - PANEL 14/22: The five models of secularism

MAXIMUM DISTANCE <=====> PRINCIPLED ENGAGEMENT

MODEL	CENTRAL DEVICE	STRENGTH	RISK
STRICT SEPARATION	INSTITUTIONAL DISTANCE between state and religion	guards against ESTABLISHMENT	may IGNORE SOCIAL INEQUALITY among religions
ASSERTIVE PUBLIC SECULARITY (laicite)	strong PUBLIC-INSTITUTIONAL secularity	common CIVIC IDENTITY	can BURDEN VISIBLE MINORITIES
NON-ESTABLISHMENT + FREE EXERCISE	state ESTABLISHES no religion AND PROTECTS practice	DUAL PROTECTION	BOUNDARY DISPUTES PERSIST
EQUAL RESPECT	state does NOT RANK faiths	fits a RELIGIOUSLY PLURAL society	INDISCRIMINATE APPEASEMENT
PRINCIPLED DISTANCE (BHARGAVA)	CONTEXT-SENSITIVE ENGAGEMENT *OR* DISENGAGEMENT by LIBERTY, EQUALITY ANTI-DOMINATION	addresses INTER- AND INTRA-RELIGIOUS DOMINATION	DISCRETION can become INCONSISTENT or PARTISAN

BHARGAVA -> principled distance rejects BOTH a RIGID WALL and OPPORTUNISTIC INTERVENTION. Distance VARIES for PRINCIPLED REASONS: the state may ABSTAIN to protect AUTONOMY or INTERVENE to secure EQUAL CITIZENSHIP and REFORM OPPRESSIVE PRACTICES.

|
v

THE 2020 ANSWER IN ONE MOVE -> "COMPLETE SEPARATION" IS *ONE MODEL*, NOT THE DEFINITION OF SECULARISM. The DEFINITION is CONSCIENCE + EQUAL CITIZENSHIP + NON-DOMINATION IN BOTH DIRECTIONS. Separation is a DEVICE -- and by the ABANDONMENT-ERROR test of Panel 13, a device that is SOMETIMES INSUFFICIENT. WHY THE TWO-BOX CARICATURE LOSES MARKS -> THE FIRST FOUR MODELS ARE ALL WESTERN AND DISAGREE SHARPLY. "Western secularism = separation" erases the difference between STRICT SEPARATION, LAICITE and NON-ESTABLISHMENT. MODEL-CHOICE VERDICT -> judged by the prevention of INTRA-religious as well as INTER-religious domination, PRINCIPLED DISTANCE IS SUPERIOR -- AT THE COST OF A DISCRETION THAT MUST ITSELF BE PRINCIPLED, SYMMETRIC AND REVIEWABLE.

CONTESTED ? -> principled distance is UNPRINCIPLED PRACTICE UNDER A RESPECTABLE NAME. REPLY -> it excludes IN ADVANCE: engagement that ESTABLISHES or ENDORSES; abstention that leaves members DOMINATED where the state could relieve it; differential treatment unjustified by the THREE VALUES; and ASYMMETRIC application to majority and minority claims. RESIDUAL -> the exclusions are only as good as the INSTITUTION applying them, and NO ADJUDICATOR IS SPECIFIED.

```

+-----+
| THE FIVE-PART CLUSTER (write all five; any one alone is a |
| caricature)                                              |
| 1 FREEDOM OF CONSCIENCE                                |
| 2 EQUAL CITIZENSHIP                                    |
| 3 NON-THEOCRACY                                         |
| 4 PROTECTION OF MINORITY CULTURE                       |
| 5 REFORM of practices that violate constitutional norms |

```

↓
v

CONSTITUTIONAL ILLUSTRATIONS -- *NOT* PHILOSOPHICAL PROOF

Articles 25-28 ... protect RELIGIOUS FREEDOM SUBJECT TO SPECIFIED
CONSTITUTIONAL LIMITS

Articles 29-30 ... protect CULTURAL and EDUCATIONAL INTERESTS

1976 the Constitution (FORTY-SECOND AMENDMENT) Act INSERTED
"secular" into the PREAMBLE -- an ENACTED CONSTITUTIONAL
AMENDMENT, *NOT* the birth of all secular commitments

1994 S. R. BOMMAI v. UNION OF INDIA -- a SUPREME COURT
JUDGMENT treating secularism as part of the BASIC
STRUCTURE

(!) THESE ILLUSTRATE INSTITUTIONALISATION. THE PHILOSOPHICAL JUSTIFICATION
STILL RESTS ON CONSCIENCE, EQUALITY AND NON-DOMINATION.

↓
v

FOUR HARD QUESTIONS AND THEIR CONTROLLING PRINCIPLES

QUESTION	SECULAR CONCERN	CONTROLLING PRINCIPLE
MINORITY RELIGIOUS / CULTURAL PROTECTION	UNIFORM RULES may EXPOSE minorities to MAJORITY POWER	EXTERNAL PROTECTION + EQUAL CIVIC MEMBERSHIP
PERSONAL-LAW ACCOMMODATION	law may PRESERVE conscience and cultural membership	accommodation is DEFEASIBLE where it ENTRENCHES INTERNAL DOMINATION
SOCIAL REFORM	ABSOLUTE NON- INTERVENTION can IMMUNISE HIERARCHY	intervention needs LIBERTY, EQUALITY and ANTI-DOMINATION REASONS
RELIGIOUS REASONS IN PUBLIC LIFE	EXCLUDING every religiously framed reason can BURDEN BELIEVERS	COERCIVE LAW must remain JUSTIFIABLE to citizens who do not share one theology

(!) PUBLIC-REASON BOUND -> "public reason" here = SHARED JUSTIFICATION OF
COERCIVE LAW in a MINIMAL POLITICAL SENSE. NOT a full importation of
RAWLS'S THEORY. The test is whether CITIZENS ARE ADDRESSED AS EQUALS -- not
whether every speaker uses SECULAR VOCABULARY.

(!) SYMMETRY REQUIREMENT -> the SAME liberty, equality and anti-domination

criteria ACROSS CASES. Applied ONLY TO MINORITIES it becomes SURVEILLANCE;
applied ONLY TO THE MAJORITY it becomes EXEMPTION.
CONTESTED ? -> the cluster is INTERNALLY INCONSISTENT: PROTECTING minority
culture and REFORMING practices pull opposite ways. REPLY -> protection is
owed against VULNERABILITY TO EXTERNAL POWER, reform is licensed by
DOMINATION INSIDE the group, and ANTI-DOMINATION is the SYMMETRIC TIEBREAKER.
RESIDUAL -> the tiebreaker presupposes an AGREED ACCOUNT OF DOMINATION, and
the ARBITER of intra-community domination is also A PARTY.

ASCII MASTER FLOW - PANEL 16/22: Gandhi's secularism as a foundation of democracy

THE STARTING POINT MOST SCRIPTS GET BACKWARDS

```
+-----+
|  GANDHI DOES *NOT* SEEK TO EXPEL RELIGION FROM PUBLIC LIFE.  |
|  Religion -- understood as ETHICAL TRUTH and SELF-PURIFICATION |
|  rather than SECTARIAN COMMAND -- SHOULD DISCIPLINE POLITICS. |
|  ALL FAITHS DESERVE EQUAL MORAL REGARD.                        |
+-----+
```

|
v

THE FIVE-STEP ARGUMENT -- THIS IS THE "EXPOSITION" THE DIRECTIVE ASKS FOR
1 religions contain PARTIAL HUMAN APPREHENSIONS OF TRUTH <<< THE ENGINE
2 COERCION IN RELIGION VIOLATES CONSCIENCE
3 HUMILITY toward ONE'S OWN FAITH supports RESPECT for others
4 DEMOCRACY requires NON-VIOLENCE and EQUAL CIVIC FELLOWSHIP
5 THEREFORE PUBLIC RELIGION MUST BE ETHICAL AND NON-SECTARIAN
WHY STEP 1 IS THE ENGINE -> because every apprehension is PARTIAL, no faith
has the STANDING TO COMMAND others, so EQUAL REGARD IS A CONSEQUENCE OF
EPISTEMIC HUMILITY, not merely a policy of tolerance.

|
v

WHY IT IS *FOUNDATIONAL* AND NOT A SIDE-CONSTRAINT
democracy is NOT MERELY A COUNTING PROCEDURE. If citizens do not regard one
another as EQUAL FELLOWS, MAJORITY RULE BECOMES MAJORITY POWER. EQUAL MORAL
REGARD ACROSS FAITHS IS THEREFORE A *CONDITION* OF DEMOCRATIC FELLOWSHIP,
NOT A LIMIT IMPOSED ON DEMOCRACY FROM OUTSIDE.

|
v

OBJECTION (v) -> a RELIGIOUS VOCABULARY in politics can PRIVILEGE
MAJORITARIAN SYMBOLS and EXCLUDE NON-BELIEVERS
TWO-PART REPLY -> (a) GANDHI'S OWN PRINCIPLE OF EQUAL CONSCIENCE RESISTS
such privilege; (b) BUT BHARGAVA'S INSTITUTIONAL SECULARISM SUPPLIES
SAFEGUARDS THAT PERSONAL VIRTUE ALONE CANNOT.
(!) The two operate at DIFFERENT LEVELS -- personal-ethical and
INSTITUTIONAL -- which is why the supplement is NECESSARY, not optional.

|
v

THE BOUNDED AMBEDKAR BRIDGE -- NAME AND ROUTE, DO NOT DEVELOP
GANDHI grounds democratic fellowship in ETHICAL RELIGION, EQUAL REGARD and
TRANSFORMED HEARTS. AMBEDKAR grounds it in CONSTITUTIONAL MORALITY, LIBERTY,
EQUALITY, FRATERNITY and INSTITUTIONAL PROTECTION against GRADED HIERARCHY.
(!) COMPLEMENTARY ONLY IF moral fellowship is JOINED TO ENFORCEABLE RIGHTS:
without STRUCTURE Gandhi risks PATERNALISM; without FRATERNITY
constitutional form can remain SOCIALLY HOLLOW.
(!) THE FULL GANDHI-AMBEDKAR COMPARISON (2019 Q4(a), 20 marks) IS OWNED BY
CASTE DISCRIMINATION AND IS *NOT* COUNTED AMONG THIS OWNER'S 16 PARTS.
CONTESTED ? -> STEP 1 IS A THEOLOGICAL CLAIM, recognisably PLURALIST, which
orthodox adherents of many traditions REJECT. REPLY -> Gandhi's is avowedly
a RELIGIOUS ARGUMENT FOR SECULAR POLITICS and CLAIMS NO NEUTRALITY; its
achievement is showing believers a ROUTE to secular politics from INSIDE
conviction. RESIDUAL -> it has NO PURCHASE on those who decline the premise,
which is EXACTLY WHY THE INSTITUTIONAL SUPPLEMENT IS REQUIRED.

ASCII MASTER FLOW - PANEL 17/22: Pluralism, and the four recurrent public objections
 IS SECULARISM *NECESSARILY* RELATED TO RELIGIOUS PLURALISM? (2025 Q1(c))
 "NECESSARILY" -> CONCEPTUAL ENTAILMENT, NOT HISTORICAL CO-OCCURRENCE.
 TEST BOTH DIRECTIONS -- THAT IS THE WHOLE ANSWER

+-----+-----+	
DOES SECULARISM REQUIRE	DOES PLURALISM PRODUCE
PLURALISM?	SECULARISM?
NO. A RELIGIOUSLY HOMOGENEOUS	NO. A PLURAL SOCIETY CAN REMAIN
SOCIETY CAN STILL NEED SECULAR	NON-SECULAR IF ONE RELIGION
PROTECTION FOR DISSENTERS AND	ENJOYS POLITICAL SUPREMACY.
NON-BELIEVERS -> the protected	MANY FAITHS + ONE ESTABLISHED
party may be a HERETIC, a	FAITH = PLURALITY WITHOUT
REFORMER or an ATHEIST, not a	SECULARISM, and the dissenters
rival CONGREGATION	are UNEQUAL CITIZENS
+-----+-----+	

|
v

PLURALITY the PRESENCE of several religions (a FACT)
 PLURALISM may ADDITIONALLY affirm their RIGHT to coexist (a VALUE)
 SECULARISM ... specifies how COERCIVE PUBLIC POWER should act (a NORM)
 -> SECULARISM CONVERTS COEXISTENCE INTO NORMS OF CONSCIENCE AND EQUAL
 CITIZENSHIP. Pluralism can say "let them coexist"; only secularism says
 WHAT THE STATE MAY AND MAY NOT DO ABOUT IT.

|
v

FOUR RECURRENT PUBLIC OBJECTIONS

- 1 "SECULARISM IS ANTI-RELIGIOUS."
 REPLY (v) it protects RELIGIOUS *AND* NON-RELIGIOUS CONSCIENCE and denies
 the state a mandate to CERTIFY THEOLOGICAL TRUTH. It restrains POLITICAL
 ESTABLISHMENT, NOT FAITH AS SUCH.
- 2 MAJORITARIANISM -- majority symbols may APPEAR CULTURALLY NEUTRAL and turn
 FORMAL EQUALITY into PRESSURE TO ASSIMILATE.
 REPLY (!) non-establishment and equal citizenship require MAJORITY
 INSTITUTIONS TO UNDERGO THE SAME SCRUTINY AS MINORITY CLAIMS.
- 3 "MINORITYISM" / SELECTIVE APPEASEMENT -- community-specific protection can
 be used WITHOUT A GENERAL PRINCIPLE and can SHIELD ELITES.
 REPLY (!) minority protection is justified AGAINST VULNERABILITY, NOT as
 PERMANENT IMMUNITY; principled distance requires the SAME criteria ACROSS
 CASES.
- 4 "SECULARISM CAUSES COMMUNAL POLITICS BY RECOGNISING COMMUNITIES."
 REPLY (!) recognition CAN entrench identities, but DENIAL CAN CONCEAL
 MAJORITY PRIVILEGE. Test = does recognition protect EQUAL CITIZENSHIP or
 create PERMANENT POLITICAL RANK?

THREE STANDING REPLIES -> "WESTERN IMPORT": the TERM has a modern Western
 history, but the PROBLEMS -- coercion, conscience, coexistence, political
 equality -- ARISE IN INDIA TOO. "EQUAL RESPECT PREVENTS REFORM": principled
 distance permits intervention AGAINST DOMINATION. "NEUTRALITY IS IMPOSSIBLE":
 neutrality does not mean NO EFFECTS; it means no assignment of SUPERIOR
 CIVIC WORTH to a faith.

|
v

CONTROL OF THE 2023 FORMULATION [Q4(c)] -> "Secularism is not a rejection of
 religion but ACCEPTANCE OF ALL RELIGIONS."

FIRST HALF -> CORRECT WITHOUT QUALIFICATION.
SECOND HALF -> CORRECT *ONLY* UNDER A CIVIC READING: EQUAL CIVIC RESPECT AND
FREEDOM OF CONSCIENCE. A secular state NEED NOT AFFIRM EVERY RELIGION AS
THEOLOGICALLY TRUE, and IT MUST EQUALLY PROTECT NON-BELIEF. SAY BOTH HALVES.

ASCII MASTER FLOW - PANEL 18/22: Multiculturalism -- four dimensions and six structural marks
 DOCTRINE (v) -> BOTH the DESCRIPTIVE FACT of cultural diversity AND the
 NORMATIVE CLAIM that a just polity may need PUBLIC RECOGNITION,
 ACCOMMODATION or GROUP-DIFFERENTIATED RIGHTS so that minorities enjoy EQUAL
 FREEDOM AND MEMBERSHIP.

DIMENSION	THE QUESTION IT ASKS	EXAMPLE
DESCRIPTIVE	are several communities PRESENT?	India's linguistic and religious diversity
NORMATIVE	what recognition or accommodation is JUST?	language rights, minority institutions
INSTITUTIONAL	through which LEGAL and POLITICAL FORMS?	federalism, cultural rights, representa- tion
CRITICAL	when does recognition PROTECT DOMINATION WITHIN groups?	hierarchy defended as tradition

(!) "CRITICALLY ANALYZE" (2022 Q3(c)) MAKES THE FOURTH ROW COMPULSORY. Where
 the stem says only "PERSPECTIVES" (2019 Q2(b)) IT DOES NOT.

|
 v

SIX STRUCTURAL MARKS -- 2020 Q3(b) ASKS FOR A *STRUCTURE*, NOT A CENSUS

- 1 DURABLE PLURALITY -- more than one cultural, linguistic or religious
framework shapes membership ACROSS GENERATIONS
- 2 IDENTITY-BEARING MEMBERSHIP -- cultural languages and practices supply
MEANINGFUL OPTIONS, MEMORY and SELF-INTERPRETATION
- 3 UNEQUAL INSTITUTIONAL BASELINE -- the common language, calendar,
curriculum or symbols may reflect MAJORITY HISTORY rather than a
CULTURALLY EMPTY public sphere <<< THE PIVOT
- 4 CLAIMS FOR ACCOMMODATION -- minorities seek RECOGNITION, EXEMPTIONS,
SELF-GOVERNMENT or REPRESENTATION rather than MERE PRIVATE TOLERATION
- 5 SHARED POLITICAL FRAMEWORK -- groups interact under COMMON INSTITUTIONS,
so NEITHER sealed isolation NOR simple demographic variety suffices
- 6 INTERNAL PLURALITY -- every community contains DISAGREEMENT, CHANGE and
UNEQUAL VOICE; NO OFFICIAL SPOKESPERSON EXHAUSTS THE CULTURE
<<< THE SAFEGUARD

WHY MARK 3 IS THE PIVOT -> if the public sphere WERE culturally empty,
 "TREAT EVERYONE THE SAME" WOULD BE A COMPLETE ANSWER and no differentiated
 right could be justified BY EQUALITY.

WHY MARK 6 IS THE SAFEGUARD -> a culture containing disagreement CANNOT BE
 IDENTIFIED WITH ITS CURRENT AUTHORITIES, which is what makes the CRITICAL
 DIMENSION a REQUIREMENT rather than an afterthought.

|
 v

THRESHOLD (!) -> A COUNTRY BECOMES *NORMATIVELY* MULTICULTURAL WHEN IT
 TREATS THESE FACTS AS QUESTIONS OF EQUAL MEMBERSHIP AND PUBLIC
 JUSTIFICATION -- NOT MERELY AS POPULATION DATA.

CONTESTED ? -> the six marks are satisfied by ALMOST EVERY LARGE MODERN STATE,
 so the category is USELESS. REPLY -> the marks are DIAGNOSTIC, not
 CLASSIFICATORY: wide extension establishes that DIFFERENTIATED MEMBERSHIP IS

A GENERAL PROBLEM, not an exotic one. RESIDUAL -> they supply NO ACCOUNT OF DEGREE, so they cannot indicate HOW MUCH accommodation is owed.

ASCII MASTER FLOW - PANEL 19/22: Taylor, Kymlicka, Parekh -- three thinkers, three jobs

TAYLOR supplies the PREMISE (misrecognition is a real INJURY)

KYMLICKA ... supplies the CRITERION (external protections YES,
internal restrictions NO)

PAREKH supplies the METHOD (intercultural DIALOGUE)

DO NOT MERGE THEM. THE ATTRIBUTION IS ITSELF EXAMINABLE.

|
v

TAYLOR -- "THE POLITICS OF RECOGNITION"

GROUND (v) -> IDENTITY IS DIALOGICALLY FORMED: persons develop self-
understanding through SOCIAL LANGUAGES and RECOGNITION, so persistent
MISRECOGNITION INFLICTS HARM by presenting a group as INFERIOR or INVISIBLE.

ARGUMENT -> 1 equal dignity requires MORE than FORMALLY IDENTICAL treatment

2 supposedly NEUTRAL institutions may embody MAJORITY LANGUAGE
and HISTORY

3 minorities bear UNEQUAL COSTS OF ASSIMILATION

4 PUBLIC RECOGNITION can therefore be REQUIRED for EQUAL
MEMBERSHIP

OBJECTION -> state recognition FREEZES fluid identities and EMPOWERS ELITES

REPLY (!) -> recognition must remain REVISABLE, INTERNALLY DEMOCRATIC and
compatible with INDIVIDUAL EXIT AND DISSENT

LIMIT -> Taylor establishes THAT recognition matters, NOT HOW FAR group
claims extend.

|
v

KYMLICKA -- MULTICULTURAL CITIZENSHIP

GROUND (v) -> individual AUTONOMY depends on access to a SOCIETAL CULTURE
supplying MEANINGFUL OPTIONS -> LIBERAL EQUALITY MAY THEREFORE SUPPORT
MINORITY RIGHTS.

+-----+-----+	
EXTERNAL PROTECTIONS (v)	shield a minority FROM MAJORITY
	decisions threatening its survival
INTERNAL RESTRICTIONS (x)	permit a group to CONSTRAIN ITS OWN
	MEMBERS' BASIC LIBERTIES
+-----+-----+	

THREE INSTITUTIONAL TYPES -- FUNCTION / MAIN LIMIT

SELF-GOVERNMENT RIGHTS ... preserve decision-making space for territorially
concentrated NATIONAL MINORITIES or INDIGENOUS PEOPLES / authority remains
CONSTRAINED BY MEMBERS' BASIC RIGHTS

POLYETHNIC / ACCOMMODATION RIGHTS ... exemptions or support reduce the COST
OF PARTICIPATING without abandoning identity / accommodation must NOT
BECOME AN INTERNAL RESTRICTION

SPECIAL REPRESENTATION RIGHTS ... correct PERSISTENT EXCLUSION from common
decision-making institutions / must remain ACCOUNTABLE and avoid FREEZING
ONE ELITE as the group voice

(!) THE TYPES *CLASSIFY* INSTITUTIONS; THE EXTERNAL/INTERNAL TEST *JUDGES*
THEM. DO NOT COLLAPSE ONE INTO THE OTHER.

|
v

PAREKH -- RETHINKING MULTICULTURALISM

rejects BOTH CULTURAL MONISM AND UNCRITICAL RELATIVISM. Cultures are
INTERNALLY PLURAL and LEARN THROUGH DIALOGUE; NO CULTURE IS SELF-SUFFICIENT,
yet criticism must attend to CONTEXT and VOICE.

(!) Parekh removes the FALSE CHOICE between ASSIMILATION and SEALED CULTURAL ISLANDS.

CONTESTED ? -> the EXTERNAL/INTERNAL line CANNOT BE APPLIED, since almost every external protection has INTERNAL EFFECTS. REPLY -> the distinction is drawn at the level of JUSTIFICATION AND ENFORCEMENT, not EFFECT: a measure is defensible when it REMOVES AN EXTERNALLY IMPOSED COST and indefensible when PARTICIPATION IS COMPELLED and EXIT PENALISED. RESIDUAL -> INFORMAL SOCIAL PRESSURE can be as effective as legal compulsion, and the test REACHES IT POORLY -- which is why TAYLOR'S internal democracy and PAREKH'S VOICE are LOAD-BEARING SUPPLEMENTS.

ASCII MASTER FLOW - PANEL 20/22: The six-rung diversity ladder and the cohesion verdict

RUNG	CORE MEANING	LIMITATION
TOLERANCE	restrains COERCION against what one DISAPPROVES of	can preserve a HIERARCHY OF PERMISSION
COEXISTENCE	secures PEACEFUL SHARED LIFE	peace may leave UNEQUAL STANDING UNTOUCHED
ACCOMMODATION	adjusts a COMMON RULE to reduce unequal cultural BURDEN	exemptions require a RIGHTS-BASED LIMIT
RECOGNITION	AFFIRMS EQUAL STANDING; corrects INVISIBILITY and STIGMA	may ESSENTIALISE identity or EMPOWER ELITES
INTEGRATION	builds COMMON CITIZENSHIP WITHOUT CULTURAL ERASURE	can slide into ASSIMILATION if the MAJORITY ALONE defines the common
ASSIMILATION	expects minorities to ABANDON distinctive practices for uniform membership	treats MAJORITY CULTURE AS NEUTRAL

|
v

THE PERMISSION ARGUMENT -- THE HIGHEST-VALUE LINE ON THE 2024 STEM TO TOLERATE IS TO *PERMIT*, AND A PERMISSION IMPLIES A PERMITTER. THAT ASYMMETRY IS A CIVIC RANK, AND SOFTENING ITS EXERCISE DOES NOT REMOVE IT. THE SAME STRUCTURE APPEARS AT THE LEVEL OF RELIGION: RELIGIOUS TOLERATION SURVIVES AN ESTABLISHED CHURCH (Panel 12). A MATURE MULTICULTURAL ORDER MOVES FROM PERMISSION TO EQUAL CITIZENSHIP AND RECIPROCAL RECOGNITION.

|
v

WHY THE HIGHER RUNGS ARE REQUIRED
TAYLOR -> identity is DIALOGICALLY FORMED, so persistent MISRECOGNITION is a GENUINE INJURY; a society that merely PERMITS and COEXISTS HAS NOT ADDRESSED THAT INJURY.
KYMICKA -> and the ascent has a LIMIT: EXTERNAL PROTECTIONS YES, INTERNAL RESTRICTIONS NO.

|
v

SOCIAL-COHESION VERDICT -- CONDITIONAL IN BOTH DIRECTIONS

```
+-----+
| STRENGTHENS cohesion WHERE differentiated protection REMOVES THE |
| PRICE OF ASSIMILATION and all members retain COMMON RIGHTS,    |
| VOICE and INSTITUTIONAL PARTICIPATION.                          |
| WEAKENS cohesion WHERE identities are FROZEN, group elites      |
| MONOPOLISE REPRESENTATION, or common institutions CEASE TO BE  |
| MUTUALLY JUSTIFIABLE.                                           |
+-----+
```

(!) INTEGRATION IS *NOT* ASSIMILATION. Common citizenship NEED NOT REQUIRE CULTURAL ERASURE -- and that distinction decides 2018 Q1(b).
ANSWER USE -> 2024 Q4(c): tolerance and coexistence are NECESSARY CONDITIONS and INSUFFICIENT ONES; they explain the RISE of a multicultural society and not its MATURITY.

ASCII MASTER FLOW - PANEL 21/22: India, globalisation, feminism and the five objections

- (A) INDIA AS A MULTICULTURAL POLITY -- ILLUSTRATIONS, NOT PROOF
 - (v) linguistic federalism and multiple OFFICIAL-LANGUAGE arrangements
 - (v) ARTICLES 29-30 protect specified CULTURAL and EDUCATIONAL interests
 - (v) PERSONAL-LAW PLURALISM illustrates ACCOMMODATION *and* creates DISPUTES OVER GENDER EQUALITY
 - (!) SCHEDULED and TRIBAL SELF-GOVERNMENT arrangements illustrate DIFFERENTIATED INSTITUTIONAL RECOGNITION
- THE PHILOSOPHICAL CHALLENGE IS *NOT* WHETHER INDIA IS DIVERSE. IT IS HOW EQUAL CITIZENSHIP CAN COEXIST WITH COMMUNITY-SPECIFIC PROTECTIONS.
- (!) ARTICLES 29-30 are best read as EXTERNAL PROTECTIONS in Kymlicka's sense; they DO NOT SETTLE the INTERNAL-RESTRICTION QUESTION, which is a PHILOSOPHICAL DISPUTE and must be ARGUED AS ONE.
 - (x) DO NOT describe any Indian community, government, party, leader or period as an instance of MISRECOGNITION or of HEGEMONY.

|
v

(B) GLOBALISATION -- A TWO-WAY RELATION (2018 Q3(a) second demand)
GLOBAL FLOWS

+-----+-----+

v

PLURALISING

- 1 flows PLURALISE societies and generate HYBRID IDENTITIES
- 3 TRANSNATIONAL NORMS can EMPOWER MINORITIES against local hierarchies

v

HOMOGENISING / DEFENSIVE

- 2 PERCEIVED CULTURAL LOSS INTENSIFIES demands for RECOGNITION
- 4 GLOBAL MARKETS COMMODIFY CULTURE and DEEPEN ASYMMETRIES

+-----+-----+

v

- (!) CULTURAL CHANGE IS NEITHER SIMPLE WESTERNISATION NOR UNTOUCHED PRESERVATION; IT IS *CONTESTED TRANSLATION UNDER UNEQUAL POWER*.
- <<< THIS SENTENCE IS THE THIRD DEMAND OF THE 2018 20-MARKER.
- TWO CONSEQUENCES -> recognition claims INTENSIFY exactly where markets ERODE the conditions of cultural reproduction; and ESSENTIALISM becomes TEMPTING, since a community under pressure may present an AUTHORISED VERSION of itself.

|
v

(C) FEMINISM -- OKIN AND THE MULTICULTURAL REPLY

OKIN (v) -> group rights may PROTECT PATRIARCHAL PRACTICES inside minorities. THE QUESTION SHE PRESSES: *WHO SPEAKS FOR THE CULTURE, AND WHO BEARS THE COST OF PRESERVING IT?*

REPLY (v) -> cultures are INTERNALLY CONTESTED, not OWNED BY MALE ELITES | women from minority communities need BOTH protection from EXTERNAL RACISM AND freedom from INTERNAL DOMINATION | REPRESENTATION, VOICE, EXIT and REFORM beat FORCED ASSIMILATION

(!) THE MARK-BEARING UPGRADE -> FRASER'S AFFIRMATIVE/TRANSFORMATIVE DISTINCTION: what is owed is NOT ENDORSEMENT of a group's existing self-description but TRANSFORMATION OF THE VALUE PATTERNS that block equal standing -- INCLUDING STANDING *INSIDE* THE GROUP. That converts Okin's objection FROM A DILEMMA INTO A CRITERION.

|
v

(D) FIVE OBJECTIONS AND REPLIES

RELATIVISM criticism becomes impossible / REPLY: DIGNITY, BODILY
 INTEGRITY, VOICE and NON-DOMINATION supply CROSS-
 CULTURAL standards, DIALOGICALLY interpreted

FRAGMENTATION group rights weaken COMMON CITIZENSHIP / REPLY: FAIR
 RECOGNITION DEEPENS ALLEGIANCE by removing ASSIMILATION
 as the PRICE OF MEMBERSHIP

ESSENTIALISM cultures treated as HOMOGENEOUS and TIMELESS / REPLY:
 protect PERSONS and EVOLVING PRACTICES, not an
 AUTHORISED VERSION

MAJORITY only MINORITIES appear "cultural" / REPLY: subject
 INVISIBILITY MAJORITY INSTITUTIONS to the SAME SCRUTINY

MINORITIES WITHIN .. authorised representatives suppress WOMEN, DISSENTERS,
 MINORITIES LOWER-STATUS MEMBERS, CONVERTS / REPLY: EXTERNAL
 PROTECTION *PLUS* INTERNAL VOICE, EXIT, REPRESENTATION
 and REFORM -- recognition of a CULTURE is NOT
 recognition of an ELITE'S UNRESTRICTED JURISDICTION

CONTESTED ? -> "INTERNAL VOICE AND EXIT" IS UNAVAILABLE TO THOSE IT PROTECTS,
 since exit needs RESOURCES, NETWORKS and a LANGUAGE TO LIVE IN AFTERWARDS.
 REPLY -> exit is a LAST-RESORT GUARANTEE whose main function is to CONSTRAIN
 INTERNAL AUTHORITY; the working remedies are REPRESENTATION and REFORM.
 RESIDUAL -> that presupposes ACCESSIBLE COMMON INSTITUTIONS -- which is why
 FRASER'S OBJECTIVE CONDITION (Panel 22) IS THE MISSING PREMISE.

ASCII MASTER FLOW - PANEL 22/22: Recognition, redistribution, synthesis and the answer spine

	REDISTRIBUTION GRAMMAR	RECOGNITION GRAMMAR
INJUSTICE IS	MALDISTRIBUTION -- exploitation, deprivation, economic marginalisation	MISRECOGNITION -- status subordination, stigma, disrespect, cultural devaluation
LOCATED IN	the ECONOMIC STRUCTURE	INSTITUTIONALISED PATTERNS OF CULTURAL VALUE
COLLECTIVITY	a CLASS (position in PRODUCTION)	a STATUS GROUP (esteem and STANDING)
REMEDY	REDISTRIBUTE; restructure the DIVISION OF LABOUR	REVALUE the identity, or TRANSFORM the VALUE PATTERNS
PARADIGM	the EXPLOITED WORKER	the STIGMATISED GROUP
RISK IF ALONE	ECONOMISM	CULTURALISM

<<< THE TENSION WORTH THE MOST MARKS IN THE WHOLE CLAUSE >>>

REDISTRIBUTION frequently requires *DISSOLVING* the group as a category -- the aim is to ABOLISH the class, not affirm it. RECOGNITION frequently requires *AFFIRMING* the group's distinctness. A PROGRAMME DOING BOTH CAN APPEAR TO BE AFFIRMING AN IDENTITY IT IS ALSO TRYING TO ABOLISH.

V FRASER -- PERSPECTIVAL DUALISM neither grammar REDUCES to the other; both are dimensions of ONE conception of justice STANDARD: PARITY OF PARTICIPATION -- arrangements are just when all adult members interact AS PEERS TWO CONDITIONS, JOINTLY REQUIRED 1 OBJECTIVE -- material resources secure INDEPENDENCE and VOICE; rules out gross inequality, deprivation, exploitation 2 INTERSUBJECTIVE -- value patterns express EQUAL RESPECT and equal opportunity for ESTEEM AFFIRMATIVE vs TRANSFORMATIVE AFFIRMATIVE ... corrects OUTCOMES without disturbing the FRAMEWORK TRANSFORMATIVE RESTRUCTURES the generative FRAMEWORK itself (!) purely AFFIRMATIVE remedies can trigger BACKLASH by marking beneficiaries as DEFICIENT RECIPIENTS LOCATED WEAKNESSES -> FRASER: a THINNER ACCOUNT of WHY CONTEMPT WOUNDS. HONNETH: risks PSYCHOLOGISING POLITICAL ECONOMY, since automation, capital flight and price movements devastate groups WITHOUT ANYONE WITHHOLDING ESTEEM; his reply that PRODUCTIVE CONTRIBUTION IS ITSELF CULTURALLY	V HONNETH -- RECOGNITION AS THE DEEPER CATEGORY: recognition is the FUNDAMENTAL MORAL GRAMMAR of social conflict, and distributive struggles are THEMSELVES struggles over what a society ESTEEMS THREE SPHERES / INJURY LOVE, close relations -> SELF- CONFIDENCE / violation of BODILY INTEGRITY, ABUSE LAW, rights -> SELF-RESPECT / DENIAL OF RIGHTS, exclusion from legal standing SOLIDARITY, achievement -> SELF-ESTEEM / DENIGRATION, devaluing a way of life or form of work COMPACT PROOF OF IRREDUCIBILITY (Fraser) -> a WELL-PAID GROUP CAN BE DESPISED; a RESPECTED GROUP CAN BE POOR
--	--

INSTITUTED stretches "recognition" UNTIL IT EXPLAINS LESS.

|
v

ADJUDICATION LINE -- TAKE A POSITION, DO NOT BALANCE

RECOGNITION AND REDISTRIBUTION ARE *ANALYTICALLY DISTINCT AND PRACTICALLY ENTANGLED*: MISRECOGNITION FREQUENTLY CAUSES AND IS REINFORCED BY MALDISTRIBUTION, BUT EACH CAN PERSIST WITHOUT THE OTHER, SO A REMEDY ADDRESSING ONLY ONE WILL UNDER-PERFORM.

Say that and you have TAKEN A POSITION. Say "both are important" and you have NOT.

|
v

PLACEMENT -> TAYLOR = the PREMISE both accept | KYMLICKA = the INSTITUTIONAL FORM, with FRASER'S TRANSFORMATIVE CRITERION supplying WHY internal restrictions must be REFUSED (a remedy securing standing EXTERNALLY while denying it INTERNALLY fails PARITY ON ITS OWN TERMS) | PAREKH = the METHOD, but DIALOGUE PRESUPPOSES PEERS, which is what Fraser's TWO CONDITIONS supply | AMBEDKAR = the INDIAN ANCHOR (GRADED STATUS as a mechanism DISTINCT FROM though ENTANGLED WITH economic deprivation; annihilation requires attacking the SANCTIFIED VALUE-SYSTEM, not only material effects) -- NAME AND ROUTE. INDIAN ILLUSTRATION, BOUNDED -> ARTICLE 17's abolition of untouchability is the clearest constitutional example of a RECOGNITION REMEDY (its target is a STATUS INJURY); RESERVATION provisions under ARTICLES 15 and 16 COMBINE recognition with distribution. ARTICLES 29-30 are EXTERNAL PROTECTIONS. (x) A constitutional article is a DATED LEGAL FACT. It CANNOT show that a philosophical theory of justice is CORRECT.

|
v

THE ANSWER SPINE FOR THIS OWNER

10 MARKS -> define + distinguish from the nearest confusable term -> argument in 3-4 linked steps -> ONE evidence unit WITH its limitation + one Indian illustration LABELLED as illustration -> GRADED VERDICT
15 MARKS -> frame the tension -> doctrine with argument and presupposition -> strongest rival model -> ONE TABLE (five models | two grammars | Fraser vs Honneth) -> ONE fully worked OBJECTION -> REPLY -> RESIDUAL -> CONDITIONAL VERDICT naming the constraint
20 MARKS -> provisional thesis in the stem's own verb -> locate the concept -> full doctrine with internal distinctions -> strongest rival at its best -> TWO objection->reply chains, each ending in a RESIDUAL -> the RECOGNITION/REDISTRIBUTION axis -> ONE dated Indian illustration, classified accurately -> GRADED VERDICT

|
v

QUALIFIED CONCLUSION -- THE CLOSING MOVE OF THE WHOLE CLAUSE
HUMAN DIGNITY IS THE MORAL FLOOR; SECULAR CITIZENSHIP SUPPLIES THE TERMS OF PUBLIC POWER; MULTICULTURAL RECOGNITION SUPPLIES THE CONTEXT-SENSITIVE POLICY FORM. THE TRIAD HOLDS ONLY WHERE STATE AND COMMUNITY POWER REMAIN RIGHTS-BOUND, PUBLICLY JUSTIFIABLE AND OPEN TO DISSENT AND REVISION. AND THE CLOSING LIMIT, STATED RATHER THAN CONCEALED: EVERY DOCTRINE IN THIS CLAUSE -- HUMANISM, SECULARISM, MULTICULTURALISM AND RECOGNITION -- TAKES THE *HUMAN* AS THE UNIT OF MORAL CONCERN. THAT IS A GENUINE BOUNDARY, AND SAYING SO CONVERTS A GOOD ANSWER INTO A PHILOSOPHICALLY SELF-AWARE ONE. (ROUTE: the full spectrum -> DEVELOPMENT AND SOCIAL PROGRESS.)
