E EXTRA — SUBORDINATE ENRICHMENT — ONLY AFTER THE COMPLETE CORE

OPTIONAL ADVANCED ENRICHMENT · INDIA'S STRUGGLE FOR INDEPENDENCE TREATS THE INA TRIALS, WORKERS' · AND RIN MUTINY AS A CUMULATIVE POST-WAR UPSURGE RATHER · THE INA'S MILITARY DEFEAT WAS OVERSHADOWED BY THE POLITICAL · RED FORT TRIALS, WHICH MADE COLONIAL PROSECUTION LOOK LIKE · THE SYMBOLIC HINDU-MUSLIM-SIKH COMPOSITION OF SHAH NAWAZ KHAN, PREM · DHILLON ALLOWED NATIONALIST MOBILISATION TO CUT ACROSS COMMUNAL CATEGORIES · THE RIN REVOLT ALARMED OFFICIALS BY EXPOSING DISAFFECTION IN

OPTIONAL SOURCE DEPTH
- India's Struggle for Independence treats the INA trials, workers' protests, student demonstrations
- and RIN Mutiny as a cumulative post-war upsurge rather than isolated incidents.
- The INA's military defeat was overshadowed by the political power of the
- Red Fort trials, which made colonial prosecution look like punishment of patriotism.

ADVANCED DEBATE
- The symbolic Hindu-Muslim-Sikh composition of Shah Nawaz Khan, Prem Sahgal and Gurbaksh Singh
- Dhillon allowed nationalist mobilisation to cut across communal categories for a brief moment.
- The RIN revolt alarmed officials by exposing disaffection in a coercive arm of the Raj.
- Chandra nevertheless stresses its limits: it was short-lived, concentrated in a few urban centres and lacked the breadth of earlier mass movements.

LEGACY / NUANCE
- The Cabinet Mission rejected a sovereign Pakistan because it considered partition administratively, economically and strategically damaging.
- Its three-tier structure offered a weak Union centre for defence, foreign affairs and communications; groups of provinces; and individual provinces.
- Congress accepted the Constituent Assembly route but resisted compulsory grouping
- the League accepted grouping as a route to parity and later withdrew amid distrust.

OPTIONAL STATUS — This optional depth is unnecessary for a competent core answer; use it only for added nuance after the complete core has been written.
