

SANITATION, MANUAL SCAVENGING AND SAFAI KARAMCHARIS

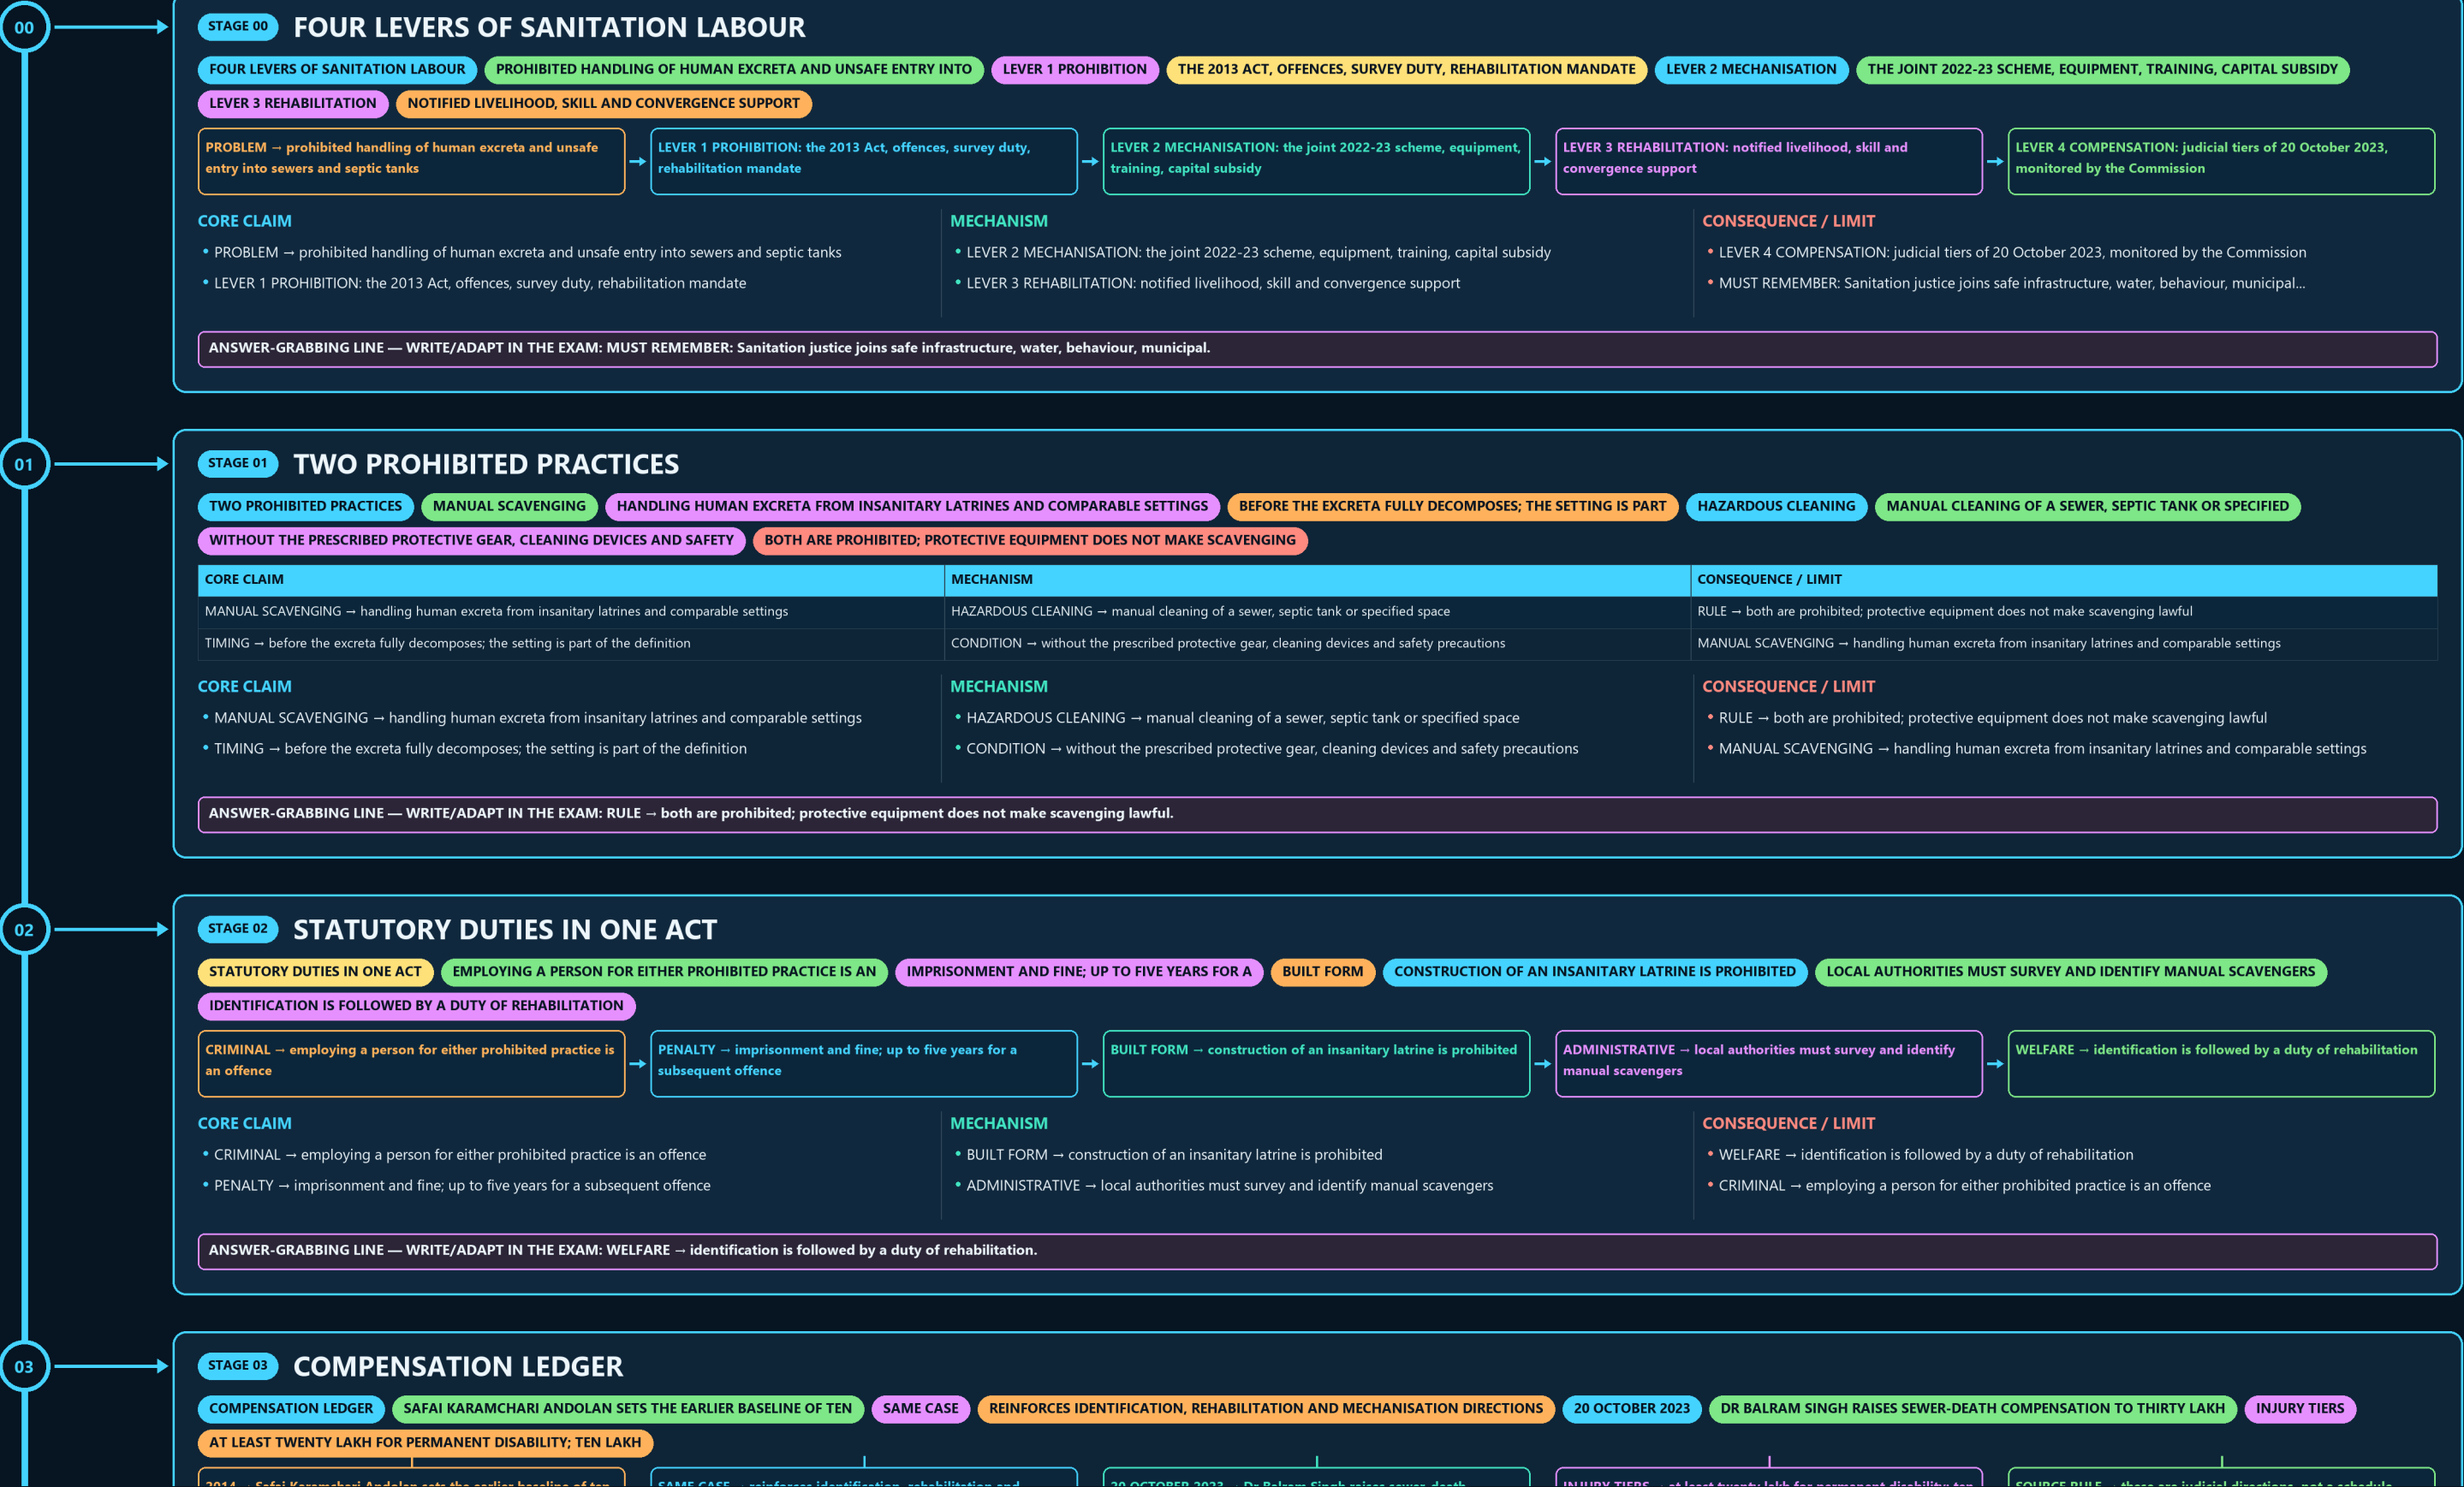

FOUR LEVERS OF SANITATION → TWO PROHIBITED PRACTICES → STATUTORY DUTIES IN ONE → COMPENSATION LEDGER → JOINT SCHEME CARD → MECHANISATION LADDER

Read the thick cyan rail from Stage 00 to the final core synthesis. Each card uses a concept-appropriate structure; the grey E card is optional enrichment only and never repairs missing core content.

PRIMARY CORE FLOW SUBORDINATE EXTRA APPROVAL / REVIEW

Approval: FALSE • Pending user review • source generation g2 and all prior artifacts unchanged

CORE BEFORE EXTRA • prior artefacts unchanged • exact same master drives poster and tiles

- **CRIMINAL** → employing a person for either prohibited practice is an offence

STAGE 03 COMPENSATION LEDGER

INJURY TIERS

SOURCE RULE → these are judicial directions, not a schedule inside the 2013 Act

MECHANISM

- 20 OCTOBER 2023 → Dr Balram Singh raises sewer-death compensation to thirty lakh rupees
- INJURY TIERS → at least twenty lakh for permanent disability; ten lakh for other injury

CONSEQUENCE / LIMIT

- SOURCE RULE → these are judicial directions, not a schedule inside the 2013 Act
- 2014 → Safai Karamchari Andolan sets the earlier baseline of ten lakh rupees

STAGE 04 JOINT SCHEME CARD

PROFILING OF SEWER AND SEPTIC-TANK WORKERS; SAFETY TRAINING AND

SUPPLEMENTS THE EARLIER SELF-EMPLOYMENT SCHEME; COMPLEMENTS THE 2013 ACT

MECHANISM

COVERS → profiling of sewer and septic-tank workers; safety training and equipment

CONSEQUENCE / LIMIT

RELATION → supplements the earlier self-employment scheme; complements the 2013 Act

COVERS → mechanised sanitation access, livelihood support, social-security convergence

MECHANISM

- COVERS → profiling of sewer and septic-tank workers; safety training and equipment
- COVERS → mechanised sanitation access, livelihood support, social-security convergence

CONSEQUENCE / LIMIT

- **RELATION** → supplements the earlier self-employment scheme; complements the 2013 Act
- **LAUNCHED** → 2022-23 as the mechanised sanitation ecosystem action

STAGE 05 MECHANISATION LADDER

STEP 4

→ **STEP 4** → machines need maintenance and trained operators or they fall into disuse

MECHANISM

- STEP 3 → workers lack capital and credit access, so loan-subsidy uptake stays low
- STEP 4 → machines need maintenance and trained operators or they fall into disuse

CONSEQUENCE / LIMIT

- LIMIT → safety mechanisation still requires entry; full robotic substitution is nascent
- STEP 1 → subsidy is announced for equipment and for worker-entrepreneur purchase

STAGE 06 COMMISSION TENURE RECORD

VALIDITY EXTENDED TO MARCH 2002 AND THEN TO FEBRUARY

NOW → statutory tenure lapsed; an executive resolution of February 2025 runs to 31 March

ENFORCEMENT FAILURE CHAIN

ENFORCEMENT FAILURE CHAIN

RECOGNITION CREATES REHABILITATION LIABILITY, SO SURVEYS UNDER-REPORT

OUTSOURCED SEWER CLEANING LETS A MUNICIPAL BODY DISPUTE EMPLOYER

RARE PROSECUTION

FIRST INFORMATION REPORTS ARE RARE; DEATHS ARE FRAMED AS

DELAYED RELIEF

COMPENSATION IS DISPUTED AND FAMILIES LACK DOCUMENTATION TO CLAIM

ONE-TIME REHABILITATION WITHOUT STABLE WORK PUSHES WORKERS BACK INTO

UNDER-COUNT → recognition creates rehabilitation liability, so surveys under-report

DIFFUSION → outsourced sewer cleaning lets a municipal body dispute employer status

RARE PROSECUTION → first information reports are rare; deaths are framed as accidents

DELAYED RELIEF → compensation is disputed and families lack documentation to claim
