E

EXTRA SUBORDINATE ENRICHMENT — ONLY AFTER THE COMPLETE CORE

OPTIONAL ADVANCED ENRICHMENT · OLD NCERT DIRECTLY SAYS DISCONTENT ALONE IS NOT ENOUGH · THEREFORE, THE CLEAN FORMULATION IS · IDEAS PROVIDED LEGITIMACY, CRISES PROVIDED MOMENTUM, AND MOBILISED GROUPS · A COMPACT UPSC LINE · AMERICA INTERNATIONALISED REPUBLICAN CONSTITUTIONALISM · FRANCE UNIVERSALISED THE LANGUAGE OF CITIZENSHIP, NATION AND ANTI-FEUDAL · OLD NCERT SAYS REVOLUTIONARY IDEAS SPREAD BEYOND THEIR PLACE

OPTIONAL SOURCE DEPTH

- Old NCERT directly says discontent alone is not enough; revolutionary thinking and ideals must precede revolutionary action.
- CAUTION: Therefore, the clean formulation is: ideas provided legitimacy, crises provided momentum, and mobilised groups provided force .
- CAUTION: A compact UPSC line: America internationalised republican constitutionalism
- France universalised the language of citizenship, nation and anti-feudal transformation.

ADVANCED DEBATE

- Old NCERT says revolutionary ideas spread beyond their place of origin and influenced other peoples suffering under oppressive governments.
- CAUTION: Later 19th-century constitutional and nationalist politics across Europe drew heavily on this rights-sovereignty vocabulary.
- CAUTION: In Indian-context answers, use this cautiously; the direct actors differ, but the wider modern language
- of liberty, equality, citizenship, representation and sovereignty becomes part of the same global political inheritance.

LEGACY / NUANCE

- CAUTION: Do not overclaim direct straight-line influence on every anti-colonial movement
- say these revolutions created a worldwide grammar of modern politics .
- Old NCERT links the Enlightenment with attacks on privilege and with the rise of nationalism.
- Rousseau = popular sovereignty; Montesquieu = constitutional distribution of power; Locke = natural rights,

OPTIONAL STATUS — This optional depth is unnecessary for a competent core answer; use it only for added nuance after the complete core has been written.
