- Communist victory in China transformed the balance of power in Asia.

LEGACY / NUANCE
- CAUTION: For India, the relevant sequence is: 1949 PRC - 1954 Panchsheel - 1962 border war - long-term strategic caution .
- CAUTION: Do not re-narrate India's China policy here; cross-link it.
- 20-23 October 2025: the official communique of the CCP's Fourth Plenary Session said the meeting adopted recommendations for
- the Fifteenth Five-Year Plan and continued to frame policy around high-quality development, technological capacity and centralized Party leadership.
