

APMC, e-NAM, FPOs AND AGRICULTURAL SUPPLY CHAINS

Economy Topic 13 | twelve-panel market-integration master

01. MARKETING CHAIN

- Farmgate -> assembly -> assay/grade -> bid -> payment -> storage/finance -> logistics -> buyer.
- Track product, information, money and risk separately.

Claim -> named evidence -> analysis -> qualification

02. MARKET LEVELS

- Farmgate, primary assembly, secondary wholesale and terminal nodes are functional labels.
- Net realisation differs from gross bid.

Claim -> named evidence -> analysis -> qualification

03. APMC STATE LAW

- Notified produce/area, yard, licence, fee and committee vary by State.
- Public-market functions and monopoly risks must both be assessed.

Claim -> named evidence -> analysis -> qualification

04. MODEL-LAW TIMELINE

- Model APMC 2003; Model APLM 2017; Model Contract Farming 2018.
- Model template != State enactment != implementation.

Claim -> named evidence -> analysis -> qualification

05. 2020-2021 EPISODE

- Three central farm laws enacted in 2020.
- All repealed by Act 40 of 2021 on 30 November 2021.

Claim -> named evidence -> analysis -> qualification

06. e-NAM

- SFAC-operated public electronic platform launched 14 April 2016.
- March 2026: 1,656 mandis, 23 States + 4 UTs, 247 commodities.

Claim -> named evidence -> analysis -> qualification

07. INTEROPERABILITY

- Legal: licences, fee, title, remedy.
- Physical: assay, logistics, delivery.
- Financial: payment, reconciliation, finance.

Claim -> named evidence -> analysis -> qualification

08. FPO / FPC / COOPERATIVE

- FPO is umbrella; FPC is Companies Act Chapter XXIA form; cooperative follows cooperative law.
- Registration != viable enterprise.

Claim -> named evidence -> analysis -> qualification

09. 10,000 FPO SCHEME

- Launched 29 February 2020.
- Target reported achieved 28 February 2025; support horizon through 2027-28.

Claim -> named evidence -> analysis -> qualification

10. CONTRACT / DIRECT MARKET

- Price formula, quality, payment and dispute safeguards.
- Alternative channel still requires competition and regulation.

Claim -> named evidence -> analysis -> qualification

11. WDRA e-NWR

- 2007 Act; regulated warehouse-receipt framework.
- Electronic NWR mandatory for registered warehouses from 1 June 2019.

Claim -> named evidence -> analysis -> qualification

12. REFORM VERDICT

- Law + competition + aggregation + standards + storage finance + logistics + settlement + remedy.
- MSP/procurement -> Topic 12; credit/insurance -> Topic 14; cold-chain detail -> Topic 15.

Claim -> named evidence -> analysis -> qualification
