

IRRIGATION, INPUTS, CREDIT, INSURANCE AND SUSTAINABILITY

Economy Topic 14 | twelve-panel farm-resilience master

01. NEXUS

- Soil + water + seed + nutrients + machinery + knowledge + credit + insurance.
- Productivity, equity and sustainability must be assessed together.

Claim -> named evidence -> analysis -> qualification

02. IRRIGATION ACCOUNTING

- Potential created != utilised != reliable delivery.
- Gross/net irrigated area and intensity have distinct denominators.

Claim -> named evidence -> analysis -> qualification

03. SOURCES AND EXTERNALITIES

- Canal, tank, lift, wells/tubewells, watershed and micro-irrigation.
- Groundwater is flexible but common-pool; canals need drainage and equity.

Claim -> named evidence -> analysis -> qualification

Claim -> named evidence -> analysis -> qualification

04. PMKSY CURRENT MAP

- AIBP + HKKP + WDC in dated umbrella architecture.
- PDMC under RKVY from 2022-23; do not use stale placement.

Claim -> named evidence -> analysis -> qualification

05. SEEDS

- Nucleus -> breeder -> foundation -> certified.
- Seeds Act 1966 and Rules 1968 remain; draft Seeds Bill 2025 was not enacted by cutoff.

Claim -> named evidence -> analysis -> qualification

06. FERTILISERS

- N, P and K have distinct roles.
- Urea controlled; P&K under NBS; fertiliser DBT pays company after PoS sale.

Claim -> named evidence -> analysis -> qualification

07. SOIL / PEST / MACHINE

Claim -> named evidence -> analysis -> qualification

07. SOIL / PEST / MACHINE

- Soil Health Card + INM; IPM uses surveillance and thresholds.
- Custom hiring can make mechanisation accessible to small farms.

Claim -> named evidence -> analysis -> qualification

08. CREDIT

- Commercial banks + RRBs + cooperatives; NABARD refinance/development.
- PSL 2025: agriculture 18%, NCF 14%, SMF 10% for applicable banks.

Claim -> named evidence -> analysis -> qualification

09. KCC / MISS

- Budget 2025-26 announced Rs 5 lakh overall KCC limit.
- FY2025-26 MISS concessional slab: Rs 3 lakh at 7%, 4% after prompt repayment.

Claim -> named evidence -> analysis -> qualification

10. INSURANCE

- PMFBY farmer premium shares: 2% / 1.5% / 5%; voluntary since Kharif 2020.
- Area-yield efficiency trades off against basis risk.

10. INSURANCE

- PMFBY farmer premium shares: 2% / 1.5% / 5%; voluntary since Kharif 2020.
- Area-yield efficiency trades off against basis risk.

Claim -> named evidence -> analysis -> qualification

11. SUSTAINABILITY

- Conservation agriculture, INM/IPM, organic/natural distinctions, agroforestry and IFS.
- Climate-smart = productivity + adaptation + mitigation where feasible.

Claim -> named evidence -> analysis -> qualification

12. REFORM VERDICT

- Reliable water + balanced inputs + inclusive finance + credible insurance + extension.
- Cropping system -> Topic 11; digital agriculture -> Topic 27.

Claim -> named evidence -> analysis -> qualification
