

- [01 LABOUR-MARKET ACCOUNTING]
- specified population -> labour force + outside labour force

- LFPR = labour force / population

- WPR = employed / population

- UR = unemployed / labour force

- outside labour force is not unemployed

- UPSC rule: preserve definition, date, denominator and legal status
-
- [02 REFERENCE-PERIOD MAP]
- usual status ps+ss -> 365 days

- CWS -> seven days; one hour work qualifies

- CDS -> day/half-day person-days

- annual usual status != monthly CWS

- state age group and geography

- UPSC rule: preserve definition, date, denominator and legal status
-
- [03 UNEMPLOYMENT TYPES]
- open -> seeking/available, no work

- disguised -> surplus labour, near-zero marginal product

- seasonal -> calendar-linked gap

- structural -> skill/location/occupation mismatch

- frictional / cyclical / underemployment remain distinct

- UPSC rule: preserve definition, date, denominator and legal status
-
- [04 PLFS CURRENT RAIL]
- 2025 usual status age 15+: LFPR 59.3, WPR 57.4, UR 3.1

- 2025 female: LFPR 40.0, WPR 38.8

- 2025 youth age 15-29 UR: 9.9

- July 2026 CWS age 15+: LFPR 55.4, WPR 52.5, UR 5.1

- never compare unlike series directly

- UPSC rule: preserve definition, date, denominator and legal status
-

- [05 EMPLOYMENT QUALITY]
- quantity -> hours -> real earnings
 - contract continuity -> voice -> safety
 - self-employed / regular wage / casual are statuses
 - formal job != organised enterprise
 - wage, job and benefit formalisation differ
 - UPSC rule: preserve definition, date, denominator and legal status

- [06 STRUCTURAL TRANSFORMATION]
- farm productivity releases labour
 - manufacturing + construction + services absorb labour
 - MSME capability and market demand matter
 - migration needs housing, transport and portability
 - evaluate productivity and destination job quality
 - UPSC rule: preserve definition, date, denominator and legal status

- [07 DEMOGRAPHIC DIVIDEND]
- favourable age structure = potential
 - health + learning + female participation
 - productive jobs + saving + investment
 - state windows differ; migration can connect them
 - window closes into ageing and care pressure
 - UPSC rule: preserve definition, date, denominator and legal status

- [08 SKILLS ARCHITECTURE]
- foundational learning -> TVET
 - PMKVY 4.0 -> STT + RPL + Special Projects
 - PM-NAPS -> apprenticeship + partial stipend support
 - NSDC / SSC -> ecosystem and occupational standards
 - measure placement, retention and real wage gain
 - UPSC rule: preserve definition, date, denominator and legal status

- [09 FOUR LABOUR CODES]
- Wages 2019
 - Industrial Relations 2020
 - Social Security 2020
 - OSHWC 2020
 - 29 central laws consolidated
 - UPSC rule: preserve definition, date, denominator and legal status

- [10 LEGAL STATUS AND FEDERALISM]
- commencement notifications -> 21 Nov 2025
 - final Central Rules GSR 342-345(E) -> 8 May 2026
 - Wages/Social Security notices specify provisions
 - labour is concurrent
 - state final rules and enforcement vary
 - UPSC rule: preserve definition, date, denominator and legal status

- [11 SOCIAL SECURITY AND GIG WORK]
- EPFO -> EPF + EPS + EDLI
 - ESIC -> medical and cash benefits
 - e-Shram -> database and linkage, not automatic benefit
 - gig/platform/aggregator are distinct
 - aggregator: 1-2% turnover, cap 5% worker payments
 - UPSC rule: preserve definition, date, denominator and legal status

- [12 MAINS ANSWER SPINE]
- diagnose participation / demand / mismatch / precarity
 - name indicator, status, age group and date
 - match institution and instrument
 - test quantity + hours + earnings + security + productivity
 - conclude with enforceable flexicurity and inclusion
 - UPSC rule: preserve definition, date, denominator and legal status
