

[01 POVERTY TAXONOMY]

- > absolute -> fixed real minimum
- > relative -> position in current distribution
- > transient -> temporary shock
- > chronic -> persistent deprivation
- > poverty != inequality != vulnerability

[02 MONETARY MEASURES]

- > HCR -> incidence
- > gap -> depth
- > squared gap -> severity
- > same line + survey + year required
- > headcount alone can mislead

[03 INDIA METHOD CLOCK]

- > 1962 Working Group -> Alagh 1979
- > Lakdawala 1993 -> Tendulkar 2009
- > Rangarajan 2014 recommendation
- > no newly adopted timeless current line
- > attribute every estimate

[04 DATED DOMESTIC LINES]

- > Tendulkar 2011-12: Rs816 rural / Rs1000 urban
- > HCR 21.9%
- > Rangarajan 2011-12: Rs972 / Rs1407
- > HCR 29.5%
- > method change != welfare decline

[05 HCES CONTROL]

- > consumption / MPCE, not income or wealth
- > 2022-23 redesign -> comparability caution
- > 2023-24 no-imputation MPCE: Rs4122 / Rs6996
- > Gini: 0.237 rural / 0.284 urban
- > average != poverty threshold

[06 INTERNATIONAL + MPI]

- > World Bank June 2025 -> 2021 PPP
- > USD3.00 / 4.20 / 8.30
- > India 2022-23 -> 5.3% / 23.9%
- > NITI MPI -> 12 indicators; H x A
- > 14.96 observed; 11.28 estimated

[07 INEQUALITY TOOLKIT]

- > income flow / wealth stock / consumption
- > Lorenz -> cumulative shares
- > Gini -> whole distribution
- > Palma -> top10 / bottom40
- > Kuznets -> qualified hypothesis

[08 INCLUSIVE-GROWTH ENGINE]

- > growth + distribution -> poverty change
- > jobs + assets -> market income
- > services -> capability
- > taxes + transfers -> redistribution
- > risk protection -> resilience

[09 FISCAL + DELIVERY CHAIN]

- > predistribution before market outcome
- > fiscal incidence -> net distribution
- > allocation -> release -> spend
- > output -> quality -> outcome
- > disaggregate people and places

[10 TARGETING + JAM]

- > universal / targeted / self-selected
- > exclusion vs inclusion error
- > JAM = infrastructure; DBT = delivery
- > offline exception + correction + appeal
- > registration != benefit

[11 PROGRAMME BOUNDARIES]

- > MGNREGA -> rural household / 100 days / demand
- > NFSA -> PHH 5kg person; AAY 35kg household
- > free grain through Dec 2028
- > PM-JAY -> specified hospitalisation / Rs5 lakh
- > NSAP + scholarships -> distinct eligibility

[12 MAINS EVALUATION]

- > adequacy -> coverage -> incidence
- > quality -> portability -> grievance
- > fiscal + ecological sustainability
- > capability + voice + dignity
- > never infer outcome from outlay or enrolment
