EXTRA SUBORDINATE ENRICHMENT — ONLY AFTER THE COMPLETE CORE

OPTIONAL ADVANCED ENRICHMENT · WILDLIFE CRIME CONTROL BUREAU (WCCB) · COORDINATES INTELLIGENCE, INVESTIGATION · IMPLEMENTATION GAP · WILDLIFE-CRIME PROSECUTION IN INDIA HAS FACED DOCUMENTED · INVASIVE-ALIEN-SPECIES REGULATION IS A NEWLY EMPOWERED BUT STILL MATURING · COMPREHENSIVE, REAL-TIME NATIONAL DATA ON WILDLIFE-CRIME PROSECUTION OUTCOMES · THE EXACT, CURRENT SPECIES-TO-SCHEDULE MAPPING IS SUBJECT TO PERIODIC

OPTIONAL SOURCE DEPTH
- Wildlife Crime Control Bureau (WCCB): coordinates intelligence, investigation
- CAUTION: Implementation gap: wildlife-crime prosecution in India has faced documented
- CAUTION: Invasive-alien-species regulation is a newly empowered but still maturing governance
- CAUTION: Comprehensive, real-time national data on wildlife-crime prosecution outcomes

ADVANCED DEBATE
- CAUTION: The exact, current species-to-Schedule mapping is subject to periodic gazette
- The Wildlife (Protection) Amendment Act, 2022 restructured six schedules into four and
- Post-2022 schedule content: I and II = animals (greater/lesser protection), III =
- The 2022 amendment empowered the central government to regulate/manage invasive alien

LEGACY / NUANCE
- The amendment gave statutory footing to India's CITES Management Authority and
- The Wildlife Crime Control Bureau (WCCB) coordinates intelligence and enforcement
- Schedule IV's CITES-mirroring structure is a legal-alignment mechanism, not an automatic,
- NOT: CITES Appendix changes automatically and instantly amend India's Schedule IV without any

OPTIONAL STATUS — This optional depth is unnecessary for a competent core answer; use it only for added nuance after the complete core has been written.
