

ASCII MASTER FLOW – PANEL 1/4: CRAFT ECOLOGY AND PROCESS FIREWALL

TOPIC 12 MASTER SPINE

START -> handicraft != handloom != GI

-> craft answer = material -> technique -> community -> market -> institution

-> process grammar = weave / resist dye / print-paint / embroidery-applique

RULE -> decorative description without production logic is low-value writing

ASCII MASTER FLOW – PANEL 2/4: WEAVING, SURFACE WORK AND TEXTILE IDENTIFICATION

TEXTILE IDENTIFICATION

Patola -> Patan -> double Ikat

Pochampally -> Telangana -> Ikat family

Kanchipuram -> contrasting joined borders

Banarasi -> zari brocade

Jamdani -> woven pattern, not embroidery

Chikankari / Kantha / Sujini / Phulkari / Kalamkari -> identify by process

ASCII MASTER FLOW – PANEL 3/4: COMMUNITY, REGION AND NON-TEXTILE CRAFTS

COMMUNITY + MATERIAL PAIR

North-East rule -> community + fibre + garment

Assam -> Muga

Meghalaya -> Eri + Garo / Khasi / Jaintia

Manipur -> Moirang Phee / Phanek

Glass -> long chronology

Dhokra -> lost-wax metal casting

Ivory -> historical craft evidence + present wildlife-law caution

ASCII MASTER FLOW – PANEL 4/4: GI, LIVELIHOOD AND BOUNDED GAP DISCIPLINE

CURRENT AND EXAM ROUTE

GI Act 1999 -> in force 15 Sep 2003 -> goods only -> Chennai registry -> 10-year renewal

Darjeeling first Indian GI

Kangra Tea -> separate EU protection

TRIFED / cooperatives / awards / platforms = current livelihood layer

Bounded gap -> Eri production covered; Oeko-Tex criteria not source-held here

FINAL ROUTE -> region + technique + product + community / market + qualification
