CONCEPT / THINKER

- CENTRAL FOCUS
- The Integrated Political Question
- (1) The chapter argues that single-discipline approaches are partial, whereas an interdisciplinary approach seeks an integrated view of politics.
- (PDF p.146)

POLITICAL MECHANISM

- (2) Political science studies politics as a social process, so it must use findings, theories and models from
- (PDF pp.136-137)
- (3) Interdisciplinary inquiry widens perspective, helps verify political claims through other social sciences, and also enables political science
- (PDF p.137)

IMPLICATION / VERDICT

- (4) For UPSC, this topic prevents shallow answers that explain democracy, state action or mass behaviour through only law, only morality or only economics.
- SYNTHESIS → The Integrated Political Question is best presented through its central claim, causal logic, strongest limit and qualified verdict.
- EXAM ROUTE → define precisely → explain the mechanism → test the limit → conclude with a qualified political judgment.

MECHANISM / VERDICT — EXAM ROUTE → define precisely → explain the mechanism → test the limit → conclude with a qualified political judgment.

ANSWER-GRABBING LINE — WRITE/ADAPT IN THE EXAM: SYNTHESIS → The Integrated Political Question is best presented through its central claim, causal logic, strongest limit and qualified verdict.
