Importance & Historiography of Ancient India
-> Source-grounded practice

HIGH

Solved 10-Mark Practice

GS-I Ancient
Indian History

INTRO & ORIGIN

Explain Importance & Historiography of Ancient India with reference to its concepts, applications and limitations.

ANSWER ARCHITECTURE

1. Concept

Define the exact scope and terminology.

V

2. Core analysis

Organise the source content into two or three dimensions.

V

3. Evidence

Use the chapter's India-centric examples or chronology.

V

4. Critical layer

Add traps, limitations, counter-view or implementation constraints.

V

5. Judgement

Conclude in direct response to the directive.

STATIC THEORY

- ☐ Ancient history explains **settled life**, agriculture, craft, resource-use and social institutions.
- ☐ Sharma gives special attention to the **varna/caste system**, because it developed in north India and spread widely.
- ☐ The book frames ancient India through **material culture, state formation and social formation**, not only kings and battles.
- ☐ **V.A. Smith** wrote the first systematic political history of ancient India in 1904 and gave primacy to political history.
- ☐ Smith's approach was **pro-imperialist**, reflecting his ICS background.
- ☐ James Mill's religious periodisation is unsafe because it converts complex social history into communal labels.
- ☐ RS Sharma begins with significance: earliest cultures → agriculture → resource-use → livelihood.
- ☐ Ancient history is relevant because institutions such as **varna/caste** have long roots.
- ☐ V.A. Smith's *Early History of India* appeared in **1904** and emphasized political history.
- ☐ R.C. Majumdar is identified as a leading **Nationalist-school** historian.
- ☐ From the **1950s**, Marxist/left historians became influential.
- ☐ R.S. Sharma's method foregrounds **material culture and social formation**.
- ☐ "Ancient Indian history is a reconstruction, not a memory." Discuss using texts, archaeology and historiography.
- ☐ Critically examine James Mill's periodisation and why modern historiography rejects religion-based eras.
- ☐ Show how RS Sharma's materialist approach links technology, agriculture, caste and state formation.
