- □ Old NCERT explicitly links the new ideas to movements in Europe and North America that sought to **overthrow autocratic governments** and **abolish privilege**.
- □□ In answer-writing, keep the chain clear: **ideas alone did not produce revolution**; they gave language, legitimacy and programme to groups already angered by fiscal, social and political crises.
- □ "Age of Reason" and "Age of Enlightenment" are used for the 18th-century European intellectual shift.
- □ Core Enlightenment themes: reason, criticism of privilege, secular inquiry, rights, liberty and representative government.
- □ Rousseau is linked with **popular sovereignty** and the **social contract**.
- □ Montesquieu is linked with **separation of powers**.
- □ Locke is linked with **natural rights** and **consent of the governed**.
- □ Old NCERT treats **liberty, equality, fraternity** and **nationalism** as major ideological outcomes of the period.
- □ UPSC GS-I Mains syllabus states: "**History of the world will include events from 18th century such as industrial revolution, world wars, redrawal of national boundaries, colonization, decolonization, political philosophies like communism, capitalism, socialism etc.— their forms and effect on the society.**"
- □□ This overview works as the **introductory frame** for later answers on the American Revolution, French Revolution, nationalism, socialism and industrial capitalism.

MUST-KNOW FACTS

1. □ Old NCERT treats **liberty, equality, fraternity** and **nationalism** as major ideological outcomes of the period.
2. □ UPSC GS-I Mains syllabus states: **"History of the world will include events from 18th century such as industrial revolution, world wars, redrawing of national boundaries, colonization, decolonization, political philosophies like communism, capitalism, socialism etc.— their forms and effect on the society."**
3. □□ This overview works as the **introductory frame** for later answers on the American Revolution, French Revolution, nationalism, socialism and industrial capitalism.
4. □□ Past GS-I questioning has broadly favoured **comparative and consequence-based prompts** rather than one-line factual recall; avoid inventing PYQ years unless separately verified.
5. □□ Explain how the Enlightenment undermined hereditary privilege and legitimised rights-based politics.
6. □□ Distinguish between **intellectual change** (Enlightenment) and **political rupture** (Age of Revolutions).

UPSC TRAPS

WRONG: Enlightenment = only anti-religion.

CORRECT: □ It was broader: reason, natural law, rights, science, constitutionalism and secular public debate.

WRONG: Enlightenment automatically created democracy everywhere.

CORRECT: □ It opened ideological space; actual political change depended on social conflict and state crisis.

WRONG: Nationalism was identical to liberalism from the start.

CORRECT: □ In this phase they often overlapped, but they are not the same concept.

WRONG: Enlightenment was purely French.

CORRECT: □ It was European in reach, though French thinkers were central to its political idiom.
